# Luisa and Conquering in the Divine Will

## Romans – 8:35; 37-39

Who shall separate us from the Love of Christ? Shall trouble or hardship or persecution or famine or nakedness or danger or sword?

...No, in all these things **we are More than Conquerors** through Him Who Loved us. For I am convinced that neither death nor life, neither Angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all Creation, will be able to separate us from the Love of God that is in Christ Jesus our Lord.

## Revelation 6:2

I looked, and behold, a white horse, and he who sat on it had a bow; and a crown was given to him, and he went out **Conquering** and to **Conquer**.

**CCC: 1019** Jesus, the Son of God, freely suffered death for us in complete and free submission to the Will of God, His Father. By His death He has **Conquered** death, and so opened the possibility of salvation to all men.

**CCC: 1808** ...**The Virtue of fortitude enables one to Conquer fear, even fear of death, and to face trials and persecutions.** It disposes one even to renounce and sacrifice his life in defense of a just cause. “The Lord is my strength and my song.”

“In the world you have tribulation; but **be of good cheer, I have overcome the world.**”

## Pope Benedict XVI:

Christ does not **Conquer** through the sword, but through the Cross. He Wins by **Conquering** hatred. He Wins through the force of His Greater Love. The Cross of Christ expresses His “no” to violence. And in this way, it is God’s Victory Sign, which announces Jesus’ New Way. The One Who suffered was Stronger than the ones who exercised power.

In His Self-Giving on the Cross,  
Christ **Conquered** violence.

**Volume 20 – 2.21.27 – Prayer:** Oh, Will of God, How Admirable, Powerful and Desirable You Are. O please! with Your Empire, **Conquer** All, Make Yourself Known, and Make us all surrender to You.

**Volume 2 – 2.28.99** - I confess the Truth, I feel Great repugnance; the effort I have to make in order to **Conquer** myself is So Great, that only the Lord can Know the torture of my soul. But, oh Holy Obedience, what a Powerful Bond You Are! You alone could **Conquer** me, and overcoming all my repugnances, almost Impassable mountains, You Bind me to the Will of God and of the confessor.

**Volume 2 – 6.16.99** - He still continues to make Himself seen with the intention to chastise; I prayed Him to pour His bitternesses into me, and to spare the whole world, and if this were not possible, to spare at least those who belong to me, and my town. The intention of the confessor also seemed to Unite to this intention. So, it seemed that, **Conquered** by the prayers, Jesus poured a little bit from His Mouth - but not that cup mentioned above.

**Volume 2 – 9.1.99** - “Obedience was everything for Me, and I Want Obedience to be everything for you. Obedience made Me be Born; Obedience made Me die. ... Through Her (Obedience) I **Conquered** death, I defeated hell, I released man from his chains, I Opened Heaven; and like a Victorious King, I took Possession of My Kingdom – not only for Myself, but for all My children who would profit from My Redemption.”

**Volume 2 – 9.9.99** - I felt all confused and annihilated, and I felt myself sinking into the abyss of my nothingness, because I saw myself all imperfect; especially, I noted my ingratitude and coldness at the So Many Graces that the Lord Gives me. But I Hope that everything shall be for His Glory and Honor, hoping, with Firm Confidence, that in an Effort of His Love He may want to **Conquer** my hardness.

**Volume 4 – 3.15.00** – “It is that I want to chastise the earth, and if I AM on Good Terms even with one creature, I feel disarmed and I have no Strength to lay hand to the chastisements, because when I make Myself seen, if you see that I have to send chastisements, you begin to say: ‘Pour them into me – make me suffer’; and I feel **Conquered** by you, so I never lay hand to the chastisements, and men do nothing but grow bolder.”

**Volume 4 – 10.12.00** - “My daughter, the Most Powerful enemies of man are: the Love of pleasures, of riches and of honors. These enemies render man unhappy, because they penetrate deep into his heart and consume him continuously; they embitter him, they drag him down So Much, as to make him lose all Happiness. And I, on Calvary, defeated these three enemies, and obtained for man the Grace to **Conquer** them too, giving back to him the lost Happiness.”

**Volume 4 - 12.18.02** - “My daughter, come again to suffer with Me in order to **Conquer** the obstinacy of those who want divorce. Let us try once more. You shall always be ready to suffer What I Want, won’t you? Do you give Me your consent?”

**Volume 6 – 2.7.04** - Indeed it is True that I feel Great repugnance and I must make a Great effort to write, and only Obedience could **Conquer** me.

**Volume 7 – 5.4.06** - “My daughter, I Want you to be More precise, More exact, and to Manifest everything in writing, because you skip many things, even though you take them for yourself without writing them; but many things shall serve others.” On hearing this, I remained confused because, in Truth, I do this, and my repugnance to write is So Great, that only the Miracles that Obedience can do could **Conquer** me, since of my own will I would not be Good at writing a single comma. May everything be for the Glory of God and to my confusion.

**Volume 7 – 5.15.06** - “My daughter, it is a continuous squeezing of herself that the soul Must Do. In fact, the soul is like a sponge: if she squeezes herself she becomes soaked with God, and by becoming soaked with God, she feels the Life of God within herself, and therefore Love for Virtue and Holy Inclinations. She feels herself

**Conquered** and Transformed in God, while if she does not squeeze herself, she remains soaked with herself, and therefore she feels all the effects that a corrupted nature contains; and all vices peep out – pride, envy, disobedience, impurity, etc., etc.”

**Volume 8 – 3.25.08** - “Daughter, temptations can be **Conquered** easily, because the devil is the Most cowardly creature that can exist, and a contrary act, a contempt, a prayer, are enough to make him flee. In fact, these acts render him Even More cowardly than he is, and in order not to bear that confusion, as soon as he sees the soul resolute in not wanting to pay attention to his cowardice, he flees terrified.”

**Volume 8 – 6.22.08** - “My daughter, the Virtue that Triumphs over everything, that **Conquers** everything, levels everything, Sweetens everything, is the Will of God, because It contains Such Power that nothing can resist It.”

**Volume 11 – 2.24.12** - “My daughter, if the souls with sensitive temperament start doing Good, they make More progress than the others, because their sensitivity leads them to Arduous and Great enterprises.” I prayed that He would take what was left of her human sensitivity away from that soul, and that He would clasp her More Closely to Himself and tell her that He Loved her, for He would **Conquer** her completely, as she would hear that He Loved her. ‘You shall see that You shall succeed. Have You not **Conquered** me in this way, telling me that You Loved me Very, Very Much?’ And Jesus: “Yes, yes, I shall do it, but I want her cooperation - that she escape as much as she can from the people who excite her sensitivity.”

**Volume 11 – 11.20.14** - “My daughter, be cheered. One who does My Will is never apart from Me; rather, she is together with Me in the Works that I do, in My Desires, in My Love - she is together with Me in everything and everywhere. Even More, I can say that since I Want everything for Myself - affections, desires, etc. of all creatures – but I do not have them, I remain around the creatures with the Attitude of making a **Conquest**. Now, as I find the satisfaction of My Desires in one who does My Will, My Desire Rests in her, My Love takes Rest in her Love, and so with all the rest.”

**Volume 11 – 3.7.15** - “My daughter, your constancy **Conquers** Me. Love and prayer Bind Me and almost Wage Battle against Me. Therefore, I have come to be with you for a little while, for I could resist no More. Poor daughter, do not cry - here I AM, All for you. Patience, Courage - don’t lose heart. If you Knew How Much I suffer...”

**Volume 11 – 8.12.15** - “My daughter, everything shall be Enclosed in the Union of our wills. Your will shall run together with Mine, and shall Impetrate Sufficient Grace to Save souls. Your Love shall Run within Mine; your Desires and your heartbeat shall Run within Mine, and shall ask for souls with an Eternal Heartbeat. All this shall form a Net around you and Me, and We shall remain as though woven inside of It. This shall serve as Bulwark of Defense, and while It shall Defend Me, you shall be Protected from any danger. How Sweet it is for Me to hear, within My Heartbeat, the Heartbeat of a creature that says within Mine: ‘Souls, souls!’ I feel as though Chained and **Conquered**, and I Surrender.”

**Volume 11 – 12.30.16** – “My daughter, in My Likeness, I made the soul Free in her will and in her Love. So, others might take Possession of the external works of the creature, but no one – no one can do so with her interior, with her will and her Love. I Myself wanted her to be Free in this, so that, Freely, not being forced, this will and this Love might Run toward Me; and Immersing herself in Me, she might offer Me the Noblest and Purest Acts that a creature can give Me; and since I AM Free, and so is she, We might Pour Ourselves into each other and Run - Run toward Heaven to Love and Glorify the Father, and to Dwell Together with the Sacrosanct Trinity; Run toward the earth to do Good to all; Run into the hearts of all to strike them with Our Love, to Chain them with Our Will, and make of them **Conquests**. Greater Dowry I could not give to the creature.”

**Volume 12 – 12.12.17** – “As the creature does her act, it is small, limited; but as it Enters into My Will, it becomes Immense, it Invests all, it gives Light and Heat to all, it Reigns over all, it acquires Supremacy over all the other acts of creatures - it has Right over all. So, it Rules, Commands, **Conquers**; yet, her act is small, but by doing it in My Will, it has undergone an Incredible

Transformation, that not even to the Angel is it given to comprehend. I alone can measure the Just Value of these Acts done in My Will. They are the Triumph of My Glory, the Outpouring of My Love, the Fulfillment of My Redemption; and I feel as though Repaid for the Very Creation. Therefore, always forward in My Will.”

**Volume 12 – 11.16.18** - “My daughter, what chains of crimes in these days - what a satanic triumph. The prosperity of one who is evil is the worst sign - and these are shoves by which Faith departs from their nations; they remain as though trapped inside a dark prison. Instead, humiliations to one who is evil are like many fissures through which Light enters, Such that, making him come back to his senses, they bring Faith to him and to the nations themselves. So, humiliation shall do More Good to them than any Victories or **Conquests.**”

**Volume 12 – 4.26.21** - “My daughter, it shall happen with Me as to a poor father, whose bad children not only offend him, but would want to kill him; and if they don’t do it, it is because they are unable to. Now, since these children want to kill their father, it is no wonder that they kill one another, that one is against the other, that they impoverish themselves, and reach the point of being all in the act of perishing. And, what is worse, they don’t even remember that they have their father.

Now, what does this father do? Exiled by his own children, while these fight, wound one another, and are about to perish from starvation, the father is toiling in order to acquire New Riches, Gifts and Remedies for his children. And when he sees them almost lost, he goes into their midst to make them Richer; he offers the Remedies for their wounds, and brings Peace and Happiness to all. Now, **Conquered** by So Much Love, these children shall Bind themselves to their father with Lasting Peace, and shall Love him. So, it shall happen with Me. Therefore, in My Will do I Want you, as Faithful daughter of My Volition; and together with Me, at the Work of the Acquisition of New Riches to give to the creatures. Be Faithful to Me, and occupy yourself with nothing else.”

**Volume 13 – 6.20.21** – “...Those who do not Live Completely in My Will can be called plants, flowers, trees, that receive Light,

Heat, Fecundity and Life from these Suns; and living down below, they are subject to growing and decreasing, exposed to winds, to frost, to storms. On the other hand, one who Lives in My Will, like sun, Excels over everything, Triumphs and **Conquers** everything; and while he touches everything and makes himself Life of everything, he is untouchable, nor does he let himself be touched by anyone, because, since he Lives Up High, no one can reach him.”

**Volume 13 – 8.13.21** - ‘Melancholy does not Enter Our Dwelling’. They shall not breach their way into creatures, because in seeing them melancholic, it shall be put in doubt whether they be True Legitimate children of My Will. And besides, one who is melancholic does not have the Grace to insinuate himself into others, to **Conquer** them and Dominate them. One who is melancholic is not capable of Heroism, and of giving himself for the Good of all. Many times these children remain aborted and die during labor, without coming out to the Light of the Divine Will.”

**Volume 13 – 10.9.21** – “Just as creatures have chests in which to keep their things in order to hold them secure, so does the soul have her will in order to keep and secure everything she thinks, says and does - not even one thought shall be lost. What she cannot do with her eyes, with her mouth, with her works, she can do with her will - in one instant she can will a thousand Goods and a thousand evils. The will makes her thought fly up to Heaven, to the farthest places and even into the abysses. She might be prevented from operating, from seeing, from speaking, but all this she can do in her will. But everything she does and wants, forms an act, that is left deposited in her own will. Oh! how the will can extend - How Many Goods and How Many evils can it not contain? This is why, among all things, I Want the will of man: because if I have this, I have everything - the fortress is **Conquered**.”

**Volume 13 – 12.18.21** – “...the Peaceful soul is My Garden, in which I Enjoy and Amuse Myself. Peace is Light, and everything that the soul thinks, says and does, is Light that she sends out; and the enemy cannot get close to her, because he feels struck by this Light, wounded and dazzled, and is forced to flee so as not to be

blinded. Peace is Dominion, not only of oneself, but of others. So, before a Peaceful soul, they remain either **Conquered** or confounded and humiliated; therefore, they either let themselves be Dominated, remaining friends, or they leave confounded, unable to sustain the dignity, the imperturbability, the Sweetness of a soul who Possesses Peace. Even the Most perverted ones feel the Power that she contains.”

**Volume 12.23.21** - “My daughter, My sleep was extremely brief, but I did sleep. However, I did not sleep for Myself, but for creatures. I, as the Head, represented the whole human family, and I had to lay My Humanity over all in order to give them Rest. I could see all creatures covered with a mantle of disturbances, of struggles, of Restlessness - some were falling into sin, and remained sad; some were Dominated by tyrannical passions that they wanted to **Conquer**, and remained disturbed; some wanted to do Good, and struggled in order to do it. In sum, there was no Peace, because True Peace is Possessed when the will of the creature returns into the Will of its Creator, from which it came out.”

**Volume 14 – 8.6.22** – “...since you Harmonize everything, We shall feel you Flowing in the Sphere of Our Will, giving Us the Order and the Harmony of all the intelligences, words, works and steps of all. We shall Constitute your Acts in Our Will as Rulers of all the others, and We shall make up for the chaos of misfortunate humanity. Each act of yours shall be the Mark of the Order that We shall receive in the name of all others. You have Much to do in Our Will; you shall be like a Queen, who shall bring Us all **Conquests**, all Harmonies. Our Will shall Administer to you everything that is necessary so that you may make up for all before Us, and fill the void of balance of the human will, that received So Much harm in withdrawing from the Balance of Our Will.”

**Volume 15 – 7.14.23** - “My daughter, the whole world is upside down, and everyone is waiting for changes, for Peace, for New Things. They themselves gather to discuss about it, and are Surprised that they are unable to conclude anything and come to serious decisions. So, True Peace does not Arise, and everything resolves into words, but no facts. And they Hope that more conferences may serve to make serious decisions, but they wait

in vain. In the meantime, in this waiting, they are all in fear, and some are preparing for New wars, some Hope for New **Conquests**. But, with this, the peoples are impoverished, are stripped alive, and while they are waiting, tired of the sad present Era, turbid and bloody, that enwraps them, they wait and Hope for a New Era of Peace and of Light.”

**Volume 16 – 7.23.23** – “Don’t you see how many souls drag themselves along because of their weakness in being unable to **Conquer** themselves to do Good; others, who don’t know how to Dominate themselves; others, inconstant like reeds in the blowing wind; others, who don’t know to pray without a thousand distractions; others, always discontent; others, who seem to be born to do evil? These are all souls who do not Encounter My Will in all their things. Yet, My Will is there for all; but because they shun It, they do not receive the Good that My Will contains – a just pain for one who wants to live of her involving herself in all miseries.”

**Volume 16 – 10.20.23** – “Oh! How Beautiful it is to see this Field of the soul all covered with Many Drops of Light, and as they gradually grow, many Suns shall form. This sight is Enchanting; all Heaven is Enraptured at the sight of it, and they are all attentive on looking at the Celestial Farmer Who Cultivates this Field with Such Great Mastery, and Who Possesses a Seed So Noble as to convert it into Sun. Now, My daughter, this Field is Mine and I do with it whatever I Want. Once these Suns have formed, I collect Them and take Them to Heaven, as the Most Beautiful **Conquest** of My Will, and then I return to the Work of My Field.”

**Volume 16 – 1.23.24** – “Everything is in making Itself Known – the Rest shall come by itself. This is why many times I have recommended to you that you omit to write nothing of what regards My Will – because Knowledge is the Way, and its Light serves as Trumpet to call those who are listening, to make itself heard; and the More the Trumpet Sounds – and It Sounds More for as Many More Knowledges as it has, to be Manifested – the More people shall Rush up. Knowledge takes the Attitude now of Pulpit, now of Teacher, now of Compassionate Father and Excessive Lover; in sum, it has all the Ways in its Power in order to Enter the hearts,

to **Conquer** them and to Triumph in everything. And the More Knowledges it contains, the More Ways it has in its Power.”

**Volume 16 – 2.22.24** – “...If there had not been this Excelling Virgin, Who took Primacy in My Will and Lived Perfect Life in My Volition – Living in It as if She did not have Her Own will, and by doing so, placing the joys of Creation and Our Feasts in Current – the Eternal Word would never have come upon earth to Fulfill the Redemption of mankind. See then, how the Greatest Thing, the Most Important, the Most Pleasing, and that Attracts God the Most, is the Living in My Will; and one who Lives in It **Conquers** God and makes God Give Gifts so Great as to Astonish Heaven and earth – Gifts that, for centuries upon centuries, could not be obtained. Oh! How My Humanity, being on earth and containing the Very Life of the Supreme Volition – Even More, It was Inseparable from Me - brought to the Divinity, in a Wholly Complete Way, all the Joys, the Glory, the Requital of Love of the Whole Creation. And the Divinity was So Delighted as to give Me Primacy over everything, and the Right to Judge all peoples.”

**Volume 16 – 3.22.24** – “...does it seem trivial to you that while the human race is immersed in irreparable evils, I call you, and Raising you between Heaven and earth, and Identifying you with My Own Acts, I make you Run within My Will to prepare the Act opposite to the So Many evils that flood the earth, preparing Good, trying to **Conquer** man with My Love, so as to stop him from his vertiginous race, giving him the Greatest Thing, that is the Light of My Will, so that, by Knowing It, he may take It as Food in order to Restore his lost Strengths, and so that, Strengthened, he may desist from his recklessness and reacquire a Firm Step so as to no longer fall into evils?”

**Volume 17 – 5.4.25** – “My Divinity did not depart from Heaven - from Its Throne, while My Will not only departed, but Descended into all Created things and formed Its Life in them. But while all things recognized Me, and I Dwell in them with Majesty and Decorum, man alone drove Me away. But I want to **Conquer** him and Win him, and therefore My Mission is not ended. So, I called you, Entrusting to you My Own Mission, that you may place the one who drove Me away on the Lap of My Will, and everything

may Return to Me in My Will. Therefore, do not be Surprised at the Many Great and Marvelous Things I may tell you for the sake of this Mission, or at the Many Graces I may give you; because this is not about making a Saint, or saving the generations. This is about placing a Divine Will in Safety, that all may Return to the Beginning, to the Origin from which all came, and that the Purpose of My Will may have Its Fulfillment’.”

**Volume 17 – 5.17.25 – (Luisa speaking)** ...my *‘I Love You’* shall never leave You – Your Very Will is the Life of my *‘I Love You’*.

But do You know what this little girl wants? That the Divine Volition that You So Much Loved, and that You did during Your Whole Life upon earth, Make Itself Known to all creatures, so that all may Love It, and may Fulfill Your Will on earth as It is in Heaven. This little girl wants to **Conquer** You in Love, that You may give Your Will to all creatures. O please! make this poor little one Happy, who wants nothing else but What You Want: that Your Will be Known and that It Reign upon earth.’

**Volume 17 – 6.25.25** - “My daughter, everything is in understanding the Great Good that comes to her by doing My Will, what this Will is that wants this sacrifice, and how this Will does not adapt Itself to mixing and living with a low, small and finite will. It wants to render the acts of the soul who wants to Live in My Will Eternal, Infinite and Divine. And how can It do this, if she wants to put in the breath of her human will, be it even a Holy thing, as you say? It is always a finite will; and then the Living in My Will would no longer be a reality, but a way of speaking. On the other hand, the Office of My Will is Total Dominion, and it is Right that the little atom of the human will be **Conquered**, and that it lose its field of action in My Will.”

**Volume 18 – 10.10.25** – “...a Voice coming from the Divine Throne said: “This is the Elect among all the elect; She (the Queen Mama) is the all Beautiful; She is the only creature Who gave Us Her will as Gift, and left it, dead, upon Our Knees, in Our Hands. And We, in exchange, gave Her the Gift of Our Will. Greater Gift We could not give Her, because by Acquiring this Supreme Will, She had the Power to Make the Word Descend upon earth, and to have the Redemption of mankind be formed.

A human will would have no Power nor attraction over Us; but a Divine Will, given by Ourselves to this Incomparable Creature, Won over Us, **Conquered** Us, Enraptured Us; and unable to resist, We surrendered to Her petitions to make the Word Descend upon earth. Now, We are waiting for you to come to die upon Our other Knee, giving Us your will; and We, in seeing it dead in Our Hands, as if it no longer existed for you, shall give you the Gift of Our Will, and through you – that is, through this Will of Ours given to you – Our Fiat shall return to Live upon earth. These *two* wills, dead upon Our Knees, shall be the ransom for many rebellious wills, and We shall keep them as a Precious Pledge, that shall Repay Us for all the evils of the other creatures, because with Our Will they shall be able to satisfy Us.”

**Volume 19 – 4.25.26** – “The Fiat on earth as It is in Heaven has a Prodigy, a Note More Harmonious, a Characteristic More Beautiful, that It does not Enjoy and Possess even in Heaven. In fact, in Heaven It Possesses the Prodigy of a Fiat of Absolute Triumph, that no one can resist; and all the Enjoyment in the Celestial Regions comes from the Supreme Fiat. But here in exile, in the depth of the soul, It contains the Prodigy of a **Conquering** Fiat, and of New **Conquests**; while in Heaven there aren’t New **Conquests**, because everything belongs to It. In the pilgrim soul My Fiat is not Absolute, but wants the soul with It in Its Own Work; and so It Delights in Manifesting Itself, in Commanding, and even in Praying her to Operate with It. And when the soul surrenders and lets herself be Invested by the Supreme Fiat, Such Harmonious Notes are formed, produced on both sides, that the Creator Himself feels Cheered by His Own Divine Notes coming from the creature. These Notes do not exist in Heaven, because Heaven is not a Dwelling of Works, but of Enjoyments. Therefore, My Fiat on earth has the Beautiful Characteristic of Impressing Its Own Divine Operating within the soul, and of making her the Repeater of Its Works. So, in Heaven My Fiat is Triumphant, and no one in the Celestial Regions can say: ‘Here I have done a Work to prove My Love, My Sacrifice, to the Supreme Fiat.’ Here on earth It is **Conquering**, and if one likes the Throne, Much More does one like **New Conquests**. Indeed, what would My Fiat not do in order to **Conquer** one soul, to make her Operate in Its Volition? How Much has It not done, and does It not do for you?”

**Volume 19 – 5.1.26** – “...with Its Continuous Motion, My Will is Life of each Created thing; It Binds everything; It is More than air that, with Its Breath, makes all the things that came out of Our Hands, breathe, develop and vegetate.

See, then, what an affront is given by creatures, because while My Will is Life of everything and Center of all things, and without It nothing and no Good would exist, they do not want to recognize Its Dominion, nor Its Life that Flows within them. This is why one who recognizes the Life of My Will within herself and in all things is the Triumph of Our Will and the **Conquest** of Our Victories; she is the Recompense of Our Love to Our Continuous Motion. Our Will Binds this creature to the Whole Creation, making her do all the Good that My Will Itself does. So, everything is hers;...”

**Volume 19 – 5.31.26** – “Her (the Celestial Mama’s) littlest Acts done in the Unity of this Light were Superior to the Greatest acts and to all the acts of all creatures together. Therefore, the sacrifices, the works, the Love of all other creatures can be called little flames before the sun, little drops of water before the Sea, compared to the Acts of the Sovereign Queen; and this is why, by Virtue of the Unity of this Light of the Supreme Volition, She Triumphed of everything and **Conquered** Her Very Creator, making Him a Prisoner in Her Maternal Womb. Ah! only the Unity of this Light of My Will, that She Who Ruled over everything Possessed, was able to form this Prodigy that had never before occurred, administering to Her Acts worthy of this Divine Prisoner.”

**Volume 19 – 6.15.26** – “...Everything I have told you about It, the Knowledges I have given you, the ‘Way’ and the ‘How’ of the Living in My Will, My Making Known to you how It Wants – how It Yearns for man to return into Its Arms and Enter once again into his Origin of the Eternal Will from which he came - are all Ways of Communication, Bonds of Love, Transmission of Light, a Breeze to make them Breathe the Air of My Will and therefore disinfect the air of the human will, and a Mighty Wind to **Conquer** and uproot the Most rebellious wills.

Each Knowledge I have given you about My Will contains a Creative Power; and everything is in letting these Knowledges

out, because the Power They contain shall Know how to breach Its Way into the hearts, to submit them to Its Dominion.”

**Volume 19 – 6.20.26** - “My daughter, even though you are little and Newly Born in My Will, and you Live in the Kingdom of My Will, your littleness is My Triumph; and when I see you Operate in It I find Myself in the Kingdom of My Will like a king who has fought a long war. Since his ideal was Victory, in seeing himself Victorious he feels cheered of the bloody battle, from the hardships suffered and from the wounds still impressed on his person, and his Triumph is formed as he sees himself surrounded by the **Conquests** he has made. The king wants to look at everything, his gaze wants to Delight in the Kingdom **Conquered**, and, Triumphant, he smiles and makes Feast.

So I AM. My Ideal in Creation was the Kingdom of My Will in the soul of the creature; My Primary Purpose was to make of man the Image of the Divine Trinity by Virtue of the Fulfillment of My Will upon him.”

**Luisa speaking:** it is the Kingdom of Your Will in My poor soul that I Long for, and this is all my Ideal and my Primary and Ultimate Purpose.’ And Jesus, All Love and Making Feast, added: “My daughter, so, My Ideal and yours are *One*, and therefore *One* is our Purpose. *Brava, brava*, the little daughter of My Will! And since your Ideal and Mine are *One*, you too have sustained the battle of long years to **Conquer** the Kingdom of My Will. You had to endure pains, Privations, and have been even a prisoner in your little room, bound to your little bed, to **Conquer** that Kingdom So Much Wanted and Longed for by Me and by you. It cost Much to both of us, and now we are both Triumphant and **Conquerors**. So, you too are the little queen in the Kingdom of My Will, and even though little, you are always queen because you are the Daughter of the Great King - of our Celestial Father. Therefore, as **Conqueror** of a Kingdom So Great, take Possession of all Creation, of all Redemption and of all Heaven – everything is yours, because your Rights of Possession Extend wherever My Will Reigns as Whole and Permanent. All are waiting for you to give you the Honors that befit your Victory.”

“...So, My Prerogatives are yours, My Kingdom and yours are *One*; we have suffered together – it is Right that together we Enjoy our **Conquests**.”

**Volume 11 – 7.11.26** – “The Heart of My Mama was the True Sun: though one can see nothing but Light, this Light contains all the Goods and effects that the earth receives and Possesses; so, one can say that the earth is enclosed in the sun. The same for the Sovereign Queen: one could only see Her Person, but the Light of My Supreme Will Enclosed in Her all Possible and Imaginable pains; and the More Intimate and unknown these pains were, the More Valuable and Powerful they were over the Divine Heart, to Impetrate the Longed for Redeemer; and More than solar light, they Descended into the hearts of creatures, to **Conquer** them and Bind them in the Kingdom of Redemption.”

**Volume 19 – 7.18.26** – “...the decision of giving the Kingdom of My Will to man I have not changed; man changes, God does not change. Now things are easier, because the Goods of Redemption have made their Way, they have made Known Many Surprises of My Love for man – how I have Loved him, not by the Fiat alone, but by giving him My Very Life, though My Fiat costs Me More than My Very Humanity, because the Fiat is Divine, Immense, Eternal, while My Humanity is human, limited and has its beginning in time. However, not knowing in depth what the Fiat Means - Its Value, Its Power and What It can Do - the human minds let themselves be **Conquered** More by all that I did and suffered in coming to Redeem them, not Knowing that under My pains and My death there was My Fiat, hidden, that gave Life to My pains.”

**Volume 19 – 8.14.26** – “My daughter, the Kingdom of My Will is Unshakeable, and in these Knowledges about It I have placed So Much Light, Grace and Attraction as to render It Victorious, in Such a Way that, as They become Known, They shall Wage a Sweet Battle against the human will, and creatures shall be **Conquered**. These Knowledges shall be an Immensely High and Strong Wall, More than the terrestrial Eden, that shall prevent the enemy from entering in order to molest those who, **Conquered** by It, shall pass to Live in the Kingdom of My Will. Therefore, do not become disturbed and Let Me Do – and I shall Dispose everything so that the Supreme Fiat may be Known.”

**Volume 19 – 9.7.26** - I was about to resume my Flight in the Supreme Volition, to make my usual visit in the Kingdom of the

Divine Will and to extend myself within Its Boundaries in order to let my *'I Love You'*, my Adoration, my *'thank You'* Echo for each Created thing. Now, as I was about to do this, I thought to myself: 'If God is everywhere, why take Flight in the Divine Volition to go up to the Height of the Heavens, before the Supreme Majesty, as though carrying all human wills of the generations on my little lap, to do my Act of Subjection, of Love and of Abandonment for each rebellious will, in order to **Conquer** the Divine Will to Come and Reign upon earth, Dominating and Triumphant in the midst of creatures? Since It is everywhere, I can also do it from here.'

**Volume 20 – 9.17.26** – “Now, My daughter, since My Eternal Goodness wants to Give My Kingdom of the Supreme Fiat once again, after man had so ungratefully rejected It, don't you think that this is the Greatest Gift I can Give to the human generations? But in order to Give It, I Must Form It, Constitute It, and Make Known that which, up to now, is not Known about My Will – and Such Knowledges about It, as to Win those who shall Know Them to Love, Appreciate and Desire to come and Live in It. The Knowledges shall be the Chains - but not imposed; rather, they themselves, willingly, shall let themselves be Bound. The Knowledges shall be the Weapons, the **Conquering** Arrows that shall **Conquer** the New Children of the Supreme Fiat. But do you Know What these Knowledges Possess? The changing of one's nature into Virtue, into Good, into My Will, in Such a Way that they shall Possess Them as their own property.”

**Volume 20 – 10.22.26** – “...I keep you with Me, I make you cross Its Endless Sea to give you Access to the Celestial Father, that you may Pray Him, **Conquer** Him, have Empire over Him, to obtain the Fiat of My Kingdom. And in order to Fulfill and Consummate in you all the Miraculous Power that is needed to form a Kingdom So Holy, I keep you continuously occupied in your interior with the Work of My Kingdom; I make you go around continuously in order to Redo - to complete everything that is needed, and that all should do, in order to form the Great Miracle of My Kingdom. Externally, I let nothing Miraculous appear in you, except for the Light of My Will.”

**Volume 20 – 11.2.26 – Luisa speaking:** ‘Sovereign Queen, I come to hide my little Love in the Great Sea of Your Love, my

Adoration toward God in the Immense Ocean of Yours. I hide my Thanksgivings in the Sea of Yours; I hide my supplications, my sighs, my tears and pains in the Sea of Yours, so that my Sea of Love and Yours may be One, my Adoration and Yours may be One, my Thanksgivings may Acquire the Vastness of Your Own Expanses; ny supplications, tears and pains may become One Single Sea with Yours, so that I too may have my Seas of Love, of Adoration, etc. ...My Queen Mama, I must use Your Very Life, Your Very Seas of Love and of Graces, to **Conquer** It to make It concede Its Kingdom upon earth, just as You **Conquered** It to let the Eternal Word Descend. Don't You want to help your little daughter by giving me Your Seas, so that I may obtain that the Kingdom of the Supreme Fiat Come Soon upon earth?"

**Volume 20 – 11.14.26** – “My daughter, it takes much to Sustain and Preserve a Divine Will in the soul; and the Divinity, Knowing that the creature does not have equivalent things for a Will So Holy, holds nothing back - everything is placed in her, at her disposal, in order to form the Sanctity of Living in My Will. God Himself Acts as Prime Actor and Spectator; My Humanity gives everything – everything It Did, Suffered and **Conquered**, that are Endless Seas - as help of this Sanctity, Fully Divine. The Queen Mama Herself places Her Seas of Grace, of Love and of Sorrow at her disposal, as Help, and feels Honored that They serve the Supreme Will in order to accomplish the Sanctity of the Eternal Fiat in the creature. Heaven and earth want to give, and they give, because, feeling all Invested by this Will, they Desire - they Yearn to help the Fortunate creature to Fulfill the Purpose of Creation – the Origin of the Sanctity that the Supreme Volition wanted from the creature.”

**Volume 20 – 1.30.27** – “One who Must form a Good, a Kingdom, Must do one thing – suffer, prepare the necessary things, and **Conquer** God in order to obtain It; those who must receive It Must do something else - that is, receive It, appreciate It, and be grateful to the one who has battled and suffered and, after Winning, gives them his **Conquests** to make them Happy. Therefore, the Kingdom of My Will in the midst of creatures shall bring the Echo of the Happiness of Heaven, because *One* shall be the Will that Must Reign and Dominate in both one and the other.”

**Volume 20 – 2.19.27** – “There have never been **Conquests** of Kingdoms without battle, and if there have been, they have not been lasting ones. You fight with Me when, Investing everything I did and suffered in My Humanity – that is, My tears, My Most Intimate Pains, My Prayers, My Steps, My Words, and even the Drops of My Blood – you impress in them your ‘*I Love You*’, and for Each One of My Acts you ask for the Coming of the Kingdom of My Supreme Fiat. Who can tell you the fight you make with Me? You move My Very Acts to Wage Battle on Me, that I may Surrender and Grant you My Kingdom.”

**Volume 21 – 2.10.27** – “...not having enough Strength to fight, nor an Army well equipped to be able to Wage War on a Will So Holy, that Possessed an Invincible Strength and a Formidable Army, he (Adam) was defeated and lost the Kingdom he had been given by Us. More So, since the Strength he Possessed before was Our Own, as We had given him also Our Own Army at his disposal; but as he sinned, the Strength returned to Our Source, and the Army withdrew from him, placing itself at Our disposal. However, all this did not take away from his Descendants the Rights to **Reconquer** the Kingdom of My Will.

It happened as to a king who loses his Kingdom in war. Can there not be the chance that one of his children, with another war, may reunite the Kingdom of his father, that once was his? More So, since I, Divine **Conqueror**, Came upon earth to Make Up for the losses of man, and finding anyone who would receive this Kingdom, I would give him back the Strength, Placing My Army at his disposal once again, in order to Maintain Its Order, Its Decorum, Its Glory. And what is this Army? It is the Whole Creation, in which, More than a Marvelous and Formidable Army, the Life of My Will is Bilocated in each Created thing, in order to Maintain the Life of this Kingdom.”

**Volume 21 – 5.8.27** - “My daughter, one who Lives in My Will has within herself this Divine Will Dominating and Reigning. The soul is the Possessor of It, she holds It in her Power; and while she Possesses the Divine Will, holding Its Strength, Its Sanctity, Its Light, Its Goods in her Power, the Divine Will Possesses the soul; and by holding her in Its Power, human weaknesses, passions, miseries and the human will are kept under the Unshakeable Power

and the Sanctity of the Supreme Will - and before this Power, they feel themselves lose life. So, weakness feels **Conquered** by the Irresistible Strength of the Divine Fiat; darkness feels **Conquered** by Light; miseries by Its Infinite Riches, passions by Its Virtues, the human will by the Divine. What difference between one who Lives in My Will, and one who only does My Will.”

**Volume 21 – 5.26.27** – “... When the Divinity decides to do an Act, to Accomplish a Work, whatever the causes, the circumstances, the impediments might be, It Triumphs of everything, It **Conquers** everything, and It does that which It has Established. So, the Culminating and Important Point for God is in Establishing What He Wants to Do; once He has done this, He has done everything. Therefore, if in Us it is Established that Our Will Must be Known and that Its Kingdom shall Come upon earth, it is as though already done.”

**Volume 22 – 7.10.27** – “...when Our Divine Being wanted to Operate outside of Ourselves, Our Will had the occasion to Operate, and It Issued the Whole Universe, with Such Sumptuousness, Order and Harmony, as to form the Amazement of all generations and the Triumph and Victory of Our Supreme Being. The same with the soul who Lives in Our Will: as she Operates, she gives It the occasion to form More Works Worthy of It. Therefore, she is Our Continuous Triumph and the Carrying Out of Our Works; she keeps the Divine Attitude up. So, while forming Our Triumph and Our Victory, at the same time the soul Triumphs and **Conquers** the Divine Will. Therefore, both One and the other are seen as Victorious: God and the littleness of the creature. Do you think it is trivial that the littleness of the creature Sings Victory, Moves a Divine Will to Operate, and **Conquers** It?”

**Volume 22 – 7.30.27** – “...in Redemption We chose a Simple Virgin, without external Splendors, but She had Her Interior Speaking, and was able to say So Much, One on one with Her Creator, as to **Conquer** Him and obtain Redemption. Now, We have done the same for the Kingdom of the Divine Fiat: We have chosen another one, all interior, who shall say Much, and shall pray God to concede the Longed for Kingdom.”

**Volume 22 – 8.12.27** – “My Mama did pray Me with Such Insistence for the sake of Redemption, and She was Victorious; but for the Kingdom of My Will – no one until now with Such Insistence as to **Conquer** a God. Therefore, your Insistence says Much; the very uproaring of all nature says Much. In these times, all the elements, uproaring, are Bearers of Goods, and this is necessary to Reorder My Kingdom. It is the Greatest Thing, and it takes the uproaring in order to Purify the earth. Therefore, I do not want you to oppress yourself too much, but rather – keep on with your Continuous Flight, with your Insistence, so as to Acquire the Complete Strength to Win the Kingdom of the Supreme Fiat.”

**Volume 23 – 10.2.27** – “One who Possesses this Kingdom Enters into Such Bonds and Rights with God, that God Himself feels with him the Strength of His Own Chains that Bind Him, and He cannot get rid of him. Our Adorable Majesty with Adam was in the same condition as a father who has a son who has been for him the cause of many **Conquests**, of Great Riches, of Incalculable Glory; there is nothing the father Possesses in which he does not find the acts of his son – he feels the Glory and the Love of his son resound everywhere. Now, to his misfortune, this son falls into poverty. Can the father ever not have compassion for his son, as he feels, everywhere and in every place, the Love, the Glory, the Riches with which his son has surrounded him?”

**Volume 23 – 10.30.27** – “They (Knowledges about the Divine Fiat) shall form the True Renewal of the world; They shall Assume all Attitudes in order to Attract and Win the creatures, taking the Attitude now of Peacemakers, Who want the Kiss of the creatures to give them Their Own, so as to forget about all the past and remember only to Love each other and make each other Happy; now of Warriors, sure of their Victory, to render sure the **Conquest** They want to make of those who come to Know Them; now of Incessant Prayers, that shall cease to supplicate only when creatures, **Conquered** by the Knowledges of My Divine Will, shall say: ‘You have Won – we are now prey to Your Kingdom’; now of king, Dominating and Inspiring Love, Such that they shall lower their foreheads to let themselves be Dominated. What shall My Will not do?”

It shall place the Whole of Its Power in Attitude in order to Come to Reign in the midst of creatures. My Will Possesses an Enrapturing Beauty that, if It makes Itself seen with Clarity even just once, Enraptures, Embellishes, Casting Its Waves of Beauties over the soul, in Such a Way that they shall not easily be able to forget a Beauty So Rare, and shall remain as though in the Maze of Its Beauty, unable to get out. It Possesses an Enchanting Power, and the soul remains Fixed within Its Sweet Enchantment. It Possesses a Balsamic Air, Such that, as It is breathed, they shall feel, Enter into themselves, the Air of Peace, of Sanctity, of Divine Harmony, of Happiness, of the Light that Purifies everything, of the Love that Burns everything, of the Power that **Conquers** everything, in Such a Way that this Air shall bring the Celestial Balm to all the evils Produced by the bad, morbid and deadly air of the human will.”

**Volume 23 – 11.27.27 – Luisa speaking:** Oh! Divine Will, how Admirable You are – Your Light lets nothing escape It; and Caressing and playing with my littleness, You make Yourself the **Conqueror** of my little atom, and You Delight in dissolving it within the Immensity of Your Endless Light.

“My daughter, that which is Most Necessary in order to obtain a Good So Great, that is the Kingdom of My Divine Fiat, is to Move God to decide to Give My Divine Will Reigning in the midst of creatures. When God Moves and Decides, He Overcomes and **Conquers** everything, even evils themselves. The other Necessary thing is that the creature who Seeks It and Prays God to give Such a Great Good, Must Possess within herself the Life of the Kingdom that she asks for for the other creatures. One who Possesses It Knows the Importance of It, and shall not spare Sacrifices in order to Impetrate for others the Good that she Possesses. She Knows the Secrets, the Ways she Must Follow; she shall make herself Importunate in order to **Conquer** God Himself. She shall be like sun, that keeps all the Fullness of its Light Restricted within itself, and, unable to contain it within itself, feels the need to spread it outside, to give Light to all and do Good to all, so as to render them Happy of Its Own Happiness. One who Possesses a Good, Possesses the Virtue of asking for It and of Giving It.

The same happened in Redemption. Sin was flooding the earth; the very people Called the people of God, was the smallest people, and if it seemed that it occupied itself with it, it was in a superficial way. In fact, they did not Possess within themselves the life of that Redeemer whom they were asking for. It can be said that they occupied themselves just like today, the Church, consecrated people and religious, occupy themselves by reciting the Our Father. But the Fullness of the Life of My Will that they ask for in the Our Father is not in them, therefore their petition ends up in words, but not in facts. But when the Queen of Heaven came, who Possessed the Fullness of the Divine Life, everything She asked for for the Good of the peoples moved God, **Conquered** Him, made Him Decide; and in spite of the evils that were present, the Eternal Word Came upon earth by means of She Who already Possessed Him, as He formed the Whole of Her life. With the Fullness of this Divine Life, She was able to Move God, and so came the Good of Redemption. That which all others together were not able to obtain, She obtained – the Sovereign Queen, Who had **Conquered**, *First* within herself, Her Creator and the Fullness of all the Goods that She was asking for for others; and, being the **Conqueror**, She had the Virtue of being able to Impetrate and Give the Good that She Possessed.”

**Volume 23 – 12.1.27** - “My daughter, all the Acts of My Queen Mother, done in My Will, are all in waiting, for they want the retinue of the acts of the creature done in It. ...There is no Good that does not Descend through these Acts done in the Divine Volition; They place everything in motion – Heavens, earth, and God Himself. They are the Divine Motion of the creature; and it was by Virtue of these Acts that the Celestial Sovereign Lady made the Word Move to Descend upon earth. Therefore, She awaits the retinue of Her Acts, so as to Move God to Make Our Supreme Will Come to Reign upon earth. They are the Triumph of God over the creature, and the Divine Weapons with which the creature **Conquers** God. Therefore, continue your Acts in My Will, and you shall have Divine helps in your Power, as well as those of the Sovereign Queen.”

**Volume 23 – 12.14.27** – “...in disposing the Good of Redemption, I wanted to find the Whole Value of It within My Mama; I wanted

to place in safety, inside Her Maternal Heart, all the Goods that My Coming upon earth into the midst of creature was to Enclose; and then I conceded the Good that the Sovereign Queen of Heaven was asking of Me. I Acted like a Prince when he must leave for a destination of More **Conquests**: he chooses the Most Faithful One, he Entrusts his Secrets to him, he places in his hands the Whole Value of the expenditures needed for the **Conquests** wanted; and Trusting this One Alone, Who Knows he Possesses the Whole Value of the **Conquests** Desired, he takes leave Triumphantly, Knowing that the Victory is Certain. So, I do. When I Want to give a Good to creatures, *First* I Trust one of them alone, I Place in her the Whole Value of that Good; and then, as though assured, I Give the Good that she asks of Me for the other creatures. Therefore, think of Enclosing within yourself the Whole Value that the Kingdom of My Will Must Contain, and I shall think of Disposing all the Rest that is needed for a Good So Great.”

**Volume 23 – 12.18.27** - “My daughter, My Celestial Mama Possessed My Will; She was So Filled with It as to Overflow with Light – but So Much, that Her Waves of Light Rose Up into the Bosom of Our Divinity; and Making Herself the **Conqueror** by the Power of Our Divine Volition that She Possessed, She **Conquered** the Celestial Father, and Captured the Light of the Word into Her Light, and made Him Descend even into Her Womb, within the Same Light that She had formed by Virtue of My Divine Will. I could never have Descended from Heaven had I not found Our Own Light within Her, Our Own Will Reigning in Her.”

**Volume 23 – 2.2.28** – “Now, just as My Will withdrew from man because he was the one who withdrew *first*, so can It Give Itself again to one who, withdrawing from the human volition, Enters again into Its Kingdom as the New **Conqueror** of that Unity of My Divine Fiat. More So, since between you and the Divinity there has been a Mutual Accord – My Will, in Giving you the Great Gift of Its Unity, Calling you to the *First* Act of Creation; and you, not only in receiving it, but in Giving to It the Gift of your will.”

**Volume 23 – 2.5.28** – “Do you think that My Giving you So Many Truths about My Fiat is only to give you simple news? No, no; it

is because I Want everyone to Know that Its Kingdom is near, and to Know Its Beautiful Prerogatives, so that all may Love – may Yearn to Enter, to Live in a Kingdom So Holy, Full of Happiness and of all Goods. Therefore, that which seems difficult to you is easy for the Power of Our Fiat, because It Knows How to remove all difficulties, and to **Conquer** everything - the Way It Wants, and When It Wants.”

**Volume 23 – 2.9.28** – “...oh! How Pleasing to Us did your repeated refrains in the wind, in the sun, in the water, under Our Steps, reach Us upon the Wings of Our Fiat: ‘*I Love You, I Love You - let your Kingdom come.*’ It was Our Echo that We could hear in you, as We wanted nothing but the Divine Will to Reign and be the **Conqueror** of all. Therefore, even from that time We Loved Our tiny little one, who asked for and wanted but What We Ourselves Wanted.”

**Volume 23 – 3.8.28** – “They (the Writings) shall be the Triumph of all My Works, the Most Tender, the Most convincing Narration of How I Loved and Do Love man. Therefore, I Love them with Such Jealousy, that I shall keep them in My Divine Heart, nor shall I permit even a Single Word to be lost. What have I not put into these Writings? Everything – Superabundant Grace, Light that Illuminates, Warms, Fecundates; Love that Wounds, Truths that **Conquer**, Attractions that Enrapture, Lives that shall bring about the Resurrection of the Kingdom of My Will. Therefore, you too, Appreciate Them, and hold Them in that Esteem that they deserve, and Delight in the Good that They shall Do.”

**Volume 24 – 4.4.28** – “So, after about *two thousand* years of cure, it is Just and Decorous for Us and for man that he no longer be sick, but that he be Healthy again so as to Enter into the Kingdom of Our Will. And this is why the Knowledges about It were needed – so that Our Creative Word, that Speaks and Creates, Speaks and Communicates, Speaks and Transforms, Speaks and Wins, might Speak and Make New Horizons, New Suns Rise for as Many Knowledges as It Manifests, in Such a Way as to form So Many Sweet Enchantments that, Amazed, the creature shall be **Conquered** and Invested by the Light of My Eternal Will. In fact, nothing else is needed for Its Kingdom to Come but the *two*

wills Kissing each other, one dissolving within the Other – My Will, to Give, and the human will, to receive.”

**Volume 24 – 4.12.28** – “...Calvary formed the Dawn that called the Sun of My Eternal Will to Shine Again in the midst of creatures. Dawn means Certainty that the sun shall come out; in the Same Way, the Dawn that I formed on Calvary Assures, even though about *two thousand* years have passed, that It shall call the Sun of My Will to Reign once again in the midst of creatures. In Eden, My Love was defeated by them; here it Triumphs and **Conquers** the creature.”

**Volume 24 – 5.20.28** – “The Acts done in It are Spurs to the Supreme Being; They are Magnets that Attract It; They are Sweet Chains that Bind It; they are Raptures in which the creature has the Power to form the Ecstasy of her Creator Who, Enraptured as though in a Sweet Sleep by the Ecstasy formed by His Beloved creature, concedes that which He Wanted to Give from many centuries, but He had not found the one who, making Him Ecstatic with His Very Divine Power, would be the Capturer of the Kingdom of His Divine Will. As the creature moves in My Fiat and forms her Act, God feels Enraptured; and in His Sweet Drowsiness, He feels Disarmed and **Conquered**, and the creature becomes the Winner over her Creator.”

**Volume 24 – 6.25.28** – “...These Acts (done by Our Celestial Mama and the souls who Operate in the Divine Will) have a Divine Power; and just as by Virtue of these Acts the Most Holy Virgin could obtain the Coming of the Word upon earth, by Virtue of Them My Kingdom shall come upon earth. An Act repeated Incessantly in My Fiat Possesses a **Conquering**, Enrapturing and Enchanting Virtue before Our Divinity. That continuous repeating in the Divine Volition is the Strength of the soul, the Invincible Weapon that debilitates her Creator and **Conquers** Him with Weapons of Love; and He feels Honored to let Himself be **Conquered** by the creature.”

**Volume 24 – 6.29.28** - “My daughter, the creature has *three* Kingdoms in her soul, that are her *three* Powers. These can be called the Capitals of these *three* Kingdoms, while all the Rest

of the creature – words, eyes, works, steps - are cities, villages, rivers, seas and territories that form these Kingdoms. The heart itself cannot be called a capital, but the Most Important city of communication for the others. Now, in a war, if the capital is **Conquered**, the war ends, because all other cities are **Conquered** along with the capital. Now, if My Will arrives at taking over the *three* capitals of these Kingdoms, Raising Its Throne in them, all the other cities shall be **Conquered** and Dominated by the Supreme Fiat. How Much Glory these Kingdoms shall acquire. They shall be the Happiest, the Richest and Most Populated ones, because the One Who Rules them and Dominates them is the Invincible, the Strong, the Powerful.”

**Volume 24 – 8.2.28** – “My daughter, Our Adorable Majesty Loves the creature So Much that We put Our Life at her disposal to make of her another Similar to Us. We place Our Life as a Model before the creature, so that, by modeling herself on Our Model, she may copy Our Life and form Facsimiles of her Creator. This is why We use Many Stratagems, Finesses of Love, and We Give Surprising Graces – to see Ourselves copied in the creature. And only then shall We be content, when - as Our Love, United with Our Divine Will, **Conquers** the creature - We shall be able to recognize Our Image and Likeness in her, just as she Came Out of Our Creative Hands.”

**Volume 25 – 10.7.28** – Luisa speaking: “...the evening came of this day Consecrated to the Queen of the Rosary, Queen of Victories and of Triumphs. And this is another Beautiful Sign that, just as the Sovereign Lady Conquered Her Creator, and Bejeweling Him with Her Chains of Love, She Drew Him from Heaven to earth, to make Him form the Kingdom of Redemption, so shall the Sweet and Powerful Beads of Her Rosary make Her Victorious and Triumphant again before the Divinity, Conquering the Kingdom of the Divine Fiat, to Make It Come into the midst of creatures.

**Volume 25 – 10.17.28** – “...Each Truth on My Divine Will shall be a Fierce Army against the human will. But do you Know what it shall be Fierce with? With Light, with Strength, with Love, with Beauty, with Sanctity, to Wage War on the human will by

means of all these Weapons. The human will, before all these Weapons, shall undergo a Sweet Enchantment and shall let itself be **Conquered** by the Divine Fiat. Therefore, Each additional Knowledge on It is a Greater Enchantment that the human will shall undergo.”

**Volume 25 – 11.10.28** – “My daughter, Living in My Will, praying in It, is to Transport Heaven to the earth, and the earth to Heaven; therefore, it is Our True and Total Triumph, Our Victory, Our Divine Conquests. So, be Faithful and Attentive to Me.”

**Volume 25 – 12.2.28** – “...as for Eucharistic Tabernacles, I have a Good number of them, but in this Tabernacle of My Divine Fiat I do not feel like a prisoner, I Possess the Endless Expanses of My Will, I do not feel alone, I have one who keeps Me Perennial company; and now I Act as a Teacher and I Give you My Celestial Lessons; now I do My Outpourings of Love and of Sorrow; now I Celebrate, to the point of Amusing Myself with you. So, if I Pray, if I Suffer, if I Cry and if I Celebrate, I AM never alone, I have the little daughter of My Divine Will together with Me. And then, I have the Great Honor and the Most Beautiful **Conquest**, that I like the Most, that is a human will all Sacrificed for Me, and as the Footstool of My Divine Will. I could call it My Favorite Tabernacle, in which I So Much Delight, that I would not exchange it for the Eucharistic Tabernacles;...”

**Volume 25 – 12.16.28** – “*You Must Know* that My Word is Creation, and in Narrating to you the Nine Excesses of My Love in the Incarnation, I not only Renewed My Love that I had in Incarnating Myself, but I Created New Love in order to Invest the creatures and **Conquer** them to give themselves to Me. These Nine Excesses of My Love, Manifested with So Much Love of Tenderness and Simplicity, formed the Prelude of the Many Lessons I was to Give you about My Divine Fiat, in order to form Its Kingdom. And now, by their being read, My Love is Renewed and Redoubled.”

**Volume 25 – 12.21.28** – “...since man Descended from My Divine Will to live in his own, he lost the Echo of his Creator and the Model with which to be able to Copy Our Works. Therefore, it can be said that in this Void there is nothing other than the *First*

steps of man – all the Rest is empty. Yet, it Must be Filled, ...But do you Know what this void is? It is Our Will. Just as I gave a Heaven, a sun, to man's nature, so I gave the Heaven, the Sun of My Fiat to his soul. And when I see you take your steps after the steps of Adam innocent, I say: 'Finally, here is the Void of My Divine Will that begins to receive the *First Conquests* and the *First* works of the creature.' Therefore, Be Attentive and continue always your Flight in My Divine Volition."

**Volume 25 – 12.29.28** – "...Each Knowledge about My Divine Fiat is a Heaven, a sun, it is a wind, one distinct from the other, that, having the Speaking Virtue and Possessing the Divine Life, have the Virtue of Producing New Heavens and Suns More Beautiful, and Winds More Mighty, Such as to Invests the hearts and make **Conquests** of them by their Sweet Ruling Moaning."

**Volume 25 – 1.1.29** - "My daughter, your will is already Mine, nor are you the Master of it any longer, having given it to Me So Many times. And I keep it now as Footstool, now as Amusement in My Hands, and now I Enclose it in My Heart as the Most Beautiful **Conquest** and as the Secret Joy that soothes My Many pains."

**Volume 25 – 1.6.29** - "My daughter, wherever the Divine Will is Present, there is the Communicative Strength of all the Divine Goods, and like Mighty Waves, Our Outpourings of Happiness, of Light, of Strength, etc., flow over the creature who Possesses It. And It has the Virtue of changing the nature of the hardest, the Most painful, the Most bitter things. Wherever My Divine Fiat is present, the hardest things become So Very Soft, pains change into Joys, bitternesses into Sweetnesses, the earth becomes Heaven, the sacrifices **Conquests**."

**Volume 26 – 5.4.29** – "My little daughter, if you knew what a Continuous Act in My Will Means.... This Act is Incomprehensible to Created mind. The creature is the Bilocator of Our Continuous Act, she Enters into Our Act and Makes Arise and puts out Our Rare Beauty, Our Invincible Love, Our Power that can do anything, Our Immensity that Embraces everything; and showing them to all, she would like to say to all: 'Look Who is our Creator.' And We let her do it, and We Enjoy in seeing that the littleness of the

creature wants to give Us Our Paradise and Our Divine Being, as Ours and as her own. What can one who Lives in Our Fiat not do and not give to Us? Anything! More So since, because this Happy creature is on earth, by Virtue of her free will, she Possesses the **Conquering** Virtue that not even the Saints in Heaven Possess; and with it she can **Conquer** and Multiply whatever Good she wants. And Our Will, that keeps her within Itself, renders her the **Conqueror** of Our Divine Being.”

**Volume 26 – 5.16.29** – “...Each Knowledge I have given you about My Divine Will Possesses a Special and Distinct Weapon: one Possesses the Weapon of Light in order to Illuminate, Warm and Fecundate the Seed of My Fiat; another Possesses the Weapon of the **Conquering** Power that Dominates and Rules; another, the Weapon of the Beauty that Enraptures and **Conquers**;...”

**Volume 26 – 6.27.29** – “...I put you and Me in the condition, you of giving to Me, and I of Giving to you; and in that reciprocal Giving I would form the Knowledge that I wanted to give you; and the Transmission of My Divine Will with yours was realized, rendering you the **Conqueror** of the Great Good that I was doing to you.”

...“My daughter, How Great is the Sea of My Will. It has no beginning and no end, therefore the littleness of the creature can neither cross It, nor Embrace It all. However, one who Lives in It finds herself on the Way in the Center of the Sea, as it shall never be given to her to go out from within Its Center, because she shall Never find either a shore or a boundary of It. ...And if you Knew How Much We Delight, how Happy We feel, in seeing the littleness of the creature Living in the Sea of Our Volition – not as a stranger, but as the Owner; not as servant, but as Queen; not as poor, but as Immensely Rich – and Rich in Our **Conquests** that she has made in Our Fiat. Therefore, one who Lives in Our Divine Volition shall feel within herself, by Right, the Dominion of Light, the Dominion of Sanctity, the Dominion of Beauty, and of Making herself as Beautiful as she wants. She has Goodness at her Disposal, Love as the Substance of her Acts, My Divine Will as her own Life – and Completely her own; and all this by Divine Right, Given by Our Very Selves. Therefore, Be Attentive in Multiplying your Acts in Our Adorable Fiat!”

**Volume 27 – 9.23.29 – Luisa speaking:** “The Divine Will Absorbs me in everything, and as much as I feel reluctance in writing, the Omnipotent Fiat, with Its Empire, Imposes Itself over me, a little creature, and with Its Divine Lordship It **Conquers** me, It knocks down my will, and placing it at Its Divine feet like a Footstool, with Its Sweet and Strong Empire It Induces me to write a New Volume, while I thought I would take a break. Oh! Adorable, Ruling and Holy Will, since You want the sacrifice, I do not feel the Strength to resist and to fight against You; but rather, I Adore Your Dispositions, and dissolving myself in Your Holy Volition, I pray You to help me, to fortify my weakness, and not to permit that I write anything but What You Want and the Way You Want it.”

**Volume 27 – 10.2.29 –** “...God remains clasped to the creature, and the creature to God; they become Inseparable beings, and in this Exchange of Action and of Life, the Game is Formed between Creator and creature – One makes oneself prey to the other. And in this becoming prey to each other, they Play in a Divine Manner, they make each other Happy, they make Feast, and God and the creature Sing Glory, they feel Victorious because no one has lost, but one has **Conquered** the other. In fact, in My Divine Will no one loses – losses do not exist in It. Only of one who Lives in My Will can I say that she is My Amusement in Creation, and I feel Victorious in lowering Myself to let Myself be **Conquered** by the creature, because I Know for sure that she shall not be opposed to letting herself be **Conquered** by Me. Therefore, the Flight in My Will be Always Continuous.”

**Volume 27 – 10.30.29 -** “My daughter, with one who Lives in My Divine Will and forms her Acts in It, these Acts remain as the work of the creature, Binding God to Give her the Rights of a Kingdom So Holy, and therefore the Rights to Make It Known and to Make It Reign upon earth. In fact, the soul who Lives in My Fiat Reacquires all the Acts of It done for Love of creatures. God renders her the **Conqueror** not only of His Will, but of all Creation; there is not one Act of It in which the creature does not place her Act, be it even one *‘I Love You’*, one *‘I Adore You’*, etc. So, having placed something of her own, everything remains Bound, and My Fiat feels Happy because finally It has found the

Fortunate creature to whom It can Give what It Wanted to Give with So Much Love from the Very Beginning of the Creation of all the Universe.”

**Volume 27 – 12.18.29** – “It wants to do Its *Third Race* of Love, and in this Ardor of Love It Wants to form the Kingdom of My Divine Will. This Ardor of Love of Ours shall Unite together that of Creation and that of My Incarnation, and shall Make Them *One*; and it shall be Ardor of Triumphant Love, and shall Give Its Kiss of Triumphant Love, of **Conquering** Love, of Love that Wins over everything to Give Its Kiss of Perennial Peace, Its Kiss of Light that shall put to flight the night of the human will, and shall make the Full Day of My Divine Will Arise, that shall be the Bearer of all Goods. How I Long for it;...”

**Volume 28 – 2.22.30 – Luisa speaking:** I am always prey to that Divine Fiat that Knows How to **Conquer** Sweetly and Strongly. With Its Sweetness It Draws me in an Irresistible Way; with Its Strength It Wins me, in Such a Way that It can do with me whatever It Wants. Oh! Holy Will, since You **Conquer** me, O please! let it be so that, with Your Own Strength and Sweetness, I may Win You; and Surrendering to my continuous supplications - Come to Reign upon earth, form Your Sweet Enchantment to the human will, and let everything on earth become Divine Will.

**Volume 28 – 7.9.30** – “My daughter, I recommend to you – do not want to become disturbed, or move anything of all that passes between Me and you; make Me Assured that My Operating has Its Fulfillment in you; do not want to give Me any sorrow on your part. I wanted to Diffuse the Good outside of you, but the human will comes across My Designs; therefore, pray that the human will be **Conquered** and the Kingdom of My Divine Will in the midst of creatures may not be suffocated.”

**Volume 28 – 8.12.30** – “...one who wants to find True Life Must Come into Our Will, in which one shall find the Fullness of Our Love, and the soul shall Acquire the Prerogatives of Our Love, that are: Fecund Love, Love that Rises, Love that Embraces everything, Love that Moves everything as Love, Love Insuperable and without end, Love that Loves and **Conquers** everything. Therefore, when I hear you run from one Created

thing to another to place in them your '*I Love You*', and over each human act, to Invest them with your '*I Love You*', I hear the Sweet Sound of your Love within Our Own, and I Love you More."

**Volume 29 – 2.17.31** - "Do not fear, I do not leave you. Know that I Love you, and if I have Induced Myself to concede that you would not fall into the state of sufferings, it was nothing other than a Great, Intense, Excessive Love toward you. In seeing you crying So Much, My Love **Conquered** My Will, and put a stop for now; but know that the scourges shall rain down like pouring rain."

**Volume 29 – 5.4.31** - "...to repeat the Acts is to Want Life, it is to take the Nourishment. To repeat is to Love and Appreciate, and Satisfy the Yearnings and make your Celestial Farmer content, Who, with So Much Love, has Worked in the Field of your soul. And as I hear you repeat your Acts, whether together with Me or on your own, you give Me the Fruits of My Work, and I feel Loved back and Repaid for the Many Gifts I have Given you; and I dispose Myself to Give you Greater Gifts. Therefore, Be Attentive, and let your constancy be the Winning Strength that **Conquers** and Dominates your Jesus."

**Volume 29 – 9.7.31** - "...do not fear, but rather, Abandon yourself like a little Newborn in Our Arms, that you may feel Our Support and the Protection of your very Acts. Do you think that a repeated, continued Good is nothing? It is Divine Properties that one Acquires, it is Armies that are formed, that make one **Conquer** the Celestial Fatherland."

**Volume 29 – 9.29.31** - "...to do Our Will is not prize, but duty and necessity, to which, willingly or unwillingly, she Must submit; and the things that are done out of duty and out of necessity, if they can be shunned, are shunned, because in them does not enter the Spontaneous Love that makes one Love and Recognize Our Will as Worthy of being Loved and Known. The necessity hides Its Good, that It contains, and makes one feel the weight of the sacrifice and of the duty. On the other hand, the Living in Our Will is not sacrifice, but **Conquest**; it is not duty, but Love. She feels, in Our Gift, her own self Dissolved within it, and she Loves It not only as Our Will, but also because It is Exclusively hers; and by not giving It the *First Place*, the Regime, the Dominion, she would not Love herself."

**Volume 30 – 11.4.31** – “*You Must Know* that each time the soul does My Will, I recognize Myself in the creature, I recognize My Works, My Steps, My Words, My Love. It happens that the Creator recognizes Himself and His Works in the creature; and the creature, in Operating, Projects herself in the Creator and recognizes herself in Him. This recognizing themselves in each other, God and the soul, Calls for the *First Act* of Creation, and God goes out of His Rest and continues the Work of Creation with this creature who Lives and Operates in My Will. In fact, Our Work did not end - there was only a pause of Rest; and the creature, by doing Our Will, calls Us to Work, but – Sweet Call, because for Us Work is New Happiness, New Joys and Prodigious **Conquests**.”

**Volume 30 – 11.16.31** – **Luisa speaking**: I feel myself prey to the Divine Will – yet not forced, but voluntary; and I feel the Intense Need to make a prey for myself too, that would render me Happy in time and Eternity; and therefore in all my Acts I try to make a prey of the Light of the Divine Will, of Its Sanctity, of Its Very Life. So I Call It, I Press It, to Capture It in my acts, to Enclose It in them and be able to say: ‘Each Act of mine is a prey and a **Conquest** that I make’ – prey and **Conquest** of Divine Will. More So since, It having preyed mine, without a will I cannot Live, therefore it is Fair, and a Right, for me to make a prey of Its Own; and in this preying of each other, it seems to me that we Maintain the Correspondence, the Game; and the Love of both sides Ignites More.

**Volume 30 – 12.21.31** – “*You Must Know* that these, Our Fields and Seas, are at the disposal of those who Live on earth and who want to Live Life in Our Divine Will – not for those who Live in Heaven, because those cannot add a single comma to what they have done. These are the Enjoying Lives in Our Divine Fields, not the Operating Lives; it can be said of them: ‘What is done is done.’ But it is the Operating and **Conquering** Lives from the earth that We Long for, and for them to Enter, while being on earth, into these Fields of Ours and Operate and Act as **Conquerors** in a Divine Manner.”

**Volume 30 – 1.12.32** – “...was it perhaps not after a Round you did in Its Acts, that I was already waiting for you, with all Love,

in order to Give you Its Pledges and Advances that Its Kingdom would Come upon earth? You gave your pledges, and My Fiat Gave you Its Own. It can be said that Each Truth and Word It Spoke about It was a Measure It took in order to form this Kingdom, a Call-Up It made in order to form Its Army, a Capital It Disbursed in order to Maintain It, Joys and Delights to Draw creatures, Divine Strength to **Conquer** them. In fact, We *First* do Deeds, Order everything, and then We Show and Make Known the Deeds We have Done.”

**Volume 30 – 1.17.32** – “...There is nothing More Beautiful, More Dear, Greater and Holier, than to feel the Dominion of My Will Flow in all of one’s acts, and in the whole entirety of the creature. I could say that Heaven remains behind in the Face of the Dominion of My Will in the heart of the pilgrim creature. In fact, in the Saints It has nothing to add; there is nothing left but to Delight them continuously; while in the pilgrim soul there are Works that It can do, New Life It can Infuse, New **Conquests** It can Obtain, to Expand and Extend More Its Dominion. The total Dominion of My Divine Will in the creature is Our Continued Victory; for each of Its Acts that It does in her with Its Dominion, So Many Victories do We obtain, and the creature becomes the winner of Our Divine Will in her acts. On the other hand, in Heaven We have nothing to Win because everything is Ours, and Each Blessed completes his work in the act of breathing his last; therefore, Our **Conquering** Work is on earth in the pilgrim souls, not in Heaven. In Heaven We have neither anything to lose, nor anything to acquire.”

**Volume 30 – 1.24.32** – “...since Our Ways are always the Same and never change, what We do with the Blessed in Heaven, Nourishing their Beatitude with Our New Act, without ever ceasing, We also do for those who Live in Our Divine Will on earth – We Nourish their Life with New Sanctity, New Goodness, New Love. We keep her under the Rain of Our New Acts, and Always in Act – with this difference: that the Blessed Acquire nothing New, they only Swim in the New Joys of their Creator, while the Fortunate pilgrim soul who Lives in Our Will is always in Act of Making New **Conquests**.”

“...See, then, the necessity of your Acts in My Will, in order to form a Long Staircase that Must Touch Heaven, in Such a Way as to force It with Its Very Divine Strength, to let My Fiat Descend upon earth and form there Its Kingdom, making It find, upon this staircase, the *First* people that would receive It and be willing to let It Reign in their midst. Without a Staircase one cannot go up, therefore it is necessary that one creature would make it, to Lay the Field in order to let others Ascend. And so that this creature may be willing, We Must Give her the Office of mother, who, Loving the creatures as her own children, given to her by My Divine Will, would accept the Mandate and would spare neither toils nor sacrifices, and, if needed, even her own Life for Love of these children. More So since, in Giving her the Office of mother, My Divine Volition Endows the soul with Maternal Love, and makes her feel these children in her own heart, and gives her Divine and human Tenderness in order to **Conquer** God and the creature and Unite them together, to make her do His Divine Will. There is no Greater Honor We can give to the creature than Maternity.”

**Volume 30 – 4.2.32** – “Wasn’t Redemption, wanted by Our Will, a Prodigy of Our Power and of Our Love, that Knows How to **Conquer** everything, even the Most awful ingratitude, the gravest sins, and requite in Love there where ungrateful man offended It the Most? If it is about man – of course he shall not be able to stand up again in spite of all the Helps of My Redemption, because he is not disposed to taking them; many do not cease to be sinners, weak, smeared with the gravest sins. But if it is about My Power, about My Love, when the *two* scales overflow a little bit More, and touch him with the Will to **Conquer** him, man shall feel shaken and floored, in Such a Way that he shall Rise Again from evil to Good, and shall Re-Enter into Our Divine Will, from which he went out, so as to take his lost Inheritance. Do you Know where everything lays? Everything is in whether Our Will Wants it and has Decided it with Divine Decrees. If this is there, everything is done; and this Decision is So True, that there are Facts.”

**Volume 30 – 5.30.32** - Oh! Power of the Divine Will – in Your Immensity you look for the act of the creature in order to form as Many Lives of Yourself in each of their acts. But how many of these acts do not receive You and reject You! And Your Life

remains suffocated within You, in Your Immensity. Ah! You, without tiring, with Love that **Conquers** everything, continue Your searches of the human acts, to give Your Life and Bilocate it in each instant.

But while my mind was wandering in the Sea of the Fiat, my Celestial Teacher, Jesus, visiting His little daughter, told me: “Blessed daughter of My Will, each Act of the creature done in My Will is a Step that she takes in order to come closer to God; and God, in His turn, takes a Step to Draw near her. It can be said that the Creator and the creature are always on a Journey – they never stop, one toward the other; My Will Descends into the Act of the creature to form Its Step of Divine Life, and she Ascends into the Fiat, into the Celestial Regions, to make herself **Conqueror** of Light, of Love, of Sanctity and Celestial Cognitions. So, each Act, Word, Breath, Heartbeat in My Will are as Many Steps of Divine Life that the creature takes; and My Will Longs for these Acts in order to have Its Field of Action, to be able to form as Many Divine Lives in the creature.”

“...Therefore, let your Acts be Continuous, because only Continuous Acts are those that hasten the Journey, surpass every obstacle, and are the only **Conquerors** that **Conquer** God and the creature.”

“...Now, by not doing Our Will, the creature puts herself out of Our Dwelling, and it happens to Us as it would happen to a rich lord who, wanting to build a Great and Beautiful palace for himself, when he has finished it, goes to live in it. But the doors shut in his face, the stones hurl themselves at him, in Such a Way that he is forced to stay out of it, prevented from living in the house that he himself has formed. Would it not deserve to be destroyed by the one who has formed it? Yet, he does not do it, because he Loves his work; but he waits and waits – who knows, he might **Conquer** it in Love, and of its own it might open the doors to let him in, giving him the freedom to live in it.”

**Volume 30 – 6.29.32** - “My Blessed daughter, the Living in My Will Encloses So Many Prodigies and Secrets as to Astound Heaven and earth. *You Must Know* that as the littleness of the creature Enters into It, it gets lost in Its Immensity, and the Divine Will receives it in Its Arms to make of it a **Conquest**, and the

human will makes itself the **Conqueror** of the Divine. Now, in these **Conquests** on both sides, the Divine Will Celebrates the **Conquest** of the human, making of it the use It Wants, and the human will Celebrates the Great **Conquest** it made of the Divine; and wanting to make of It the use it wants, it sends It off to Heaven as its **Conquest** and Bearer of New Joys and Happinesses, that It Possesses. My Will, **Conquered** by the soul, does not hold Itself back; Bilocating Itself, It stays and sets out for her Celestial Fatherland only to comply with the one who has **Conquered** It, and It carries the **Conquest** It made of the human will, and the Joys and Happinesses that the **Conquering** Divine Will Encloses. My Delighting and Beatifying Will that is in Heaven, and My **Conquering** Will that is on earth, plunge together and Flood the Celestial Regions with the New Joys that My **Conquering** Divine Will Possesses. In fact, *You Must Know* that the Joys of My **Conquering** Will are quite distinct and different from those of My Delighting Will. The **Conquering** Joys are not in the Power of the Blessed, but in the Power of the creature, who Must send them from the earth, and they are formed in the middle of the stake of pain and of Love, and over the annihilation of her own will. On the other hand, the Delighting Joys are in their Power, and are Fruits and Effects of the Celestial Dwelling in which they find themselves.

There is Great difference between the Joys of My **Conquering** Will and those of My Delighting Will. I can say that My **Conquering** Joys do not exist in Heaven, but only on earth, and – oh! How Beautiful it is to see the creature who, for as many times as she does her Acts in My Will, So Many times makes herself the **Conqueror** of It, and makes It set out for Heaven, for Purgatory, into the midst of terrestrial creatures – wherever she wants. More So since, My Will being everywhere and in every place, It has to do nothing other than Bilocate Itself to give the Fruit, the Joys of the New **Conquest** that the creature has made of It. My daughter, there is no scene More Moving, More Delightful, More Useful, than to see the littleness of the creature come into Our Divine Will, do her little Acts and make her Sweet **Conquest** of an Immense, Holy, Powerful, Eternal Will that Encloses everything, can do anything and Possesses everything. The littleness of the creature, in seeing herself the **Conqueror** of a Divine Fiat So Interminable,

remains stupefied, does not know where to put It, would want to Enclose It all within herself – but she lacks the space; and acting as a stalwart, she would want everyone to take So Great a Good. Here, then, she sends It off to Heaven as a Sacred Right of the Celestial Fatherland, and to whomever wants It; and with eagerness she sets about doing More Acts in It, to Reacquire It as Many times for as Many Acts as she keeps on doing. It is the True Divine Commerce that God and the creature form between Heaven and earth.”

**Volume 30 – 7.14.32** – “Do you see, then, what the continuation of the Acts done in My Divine Will is for? It serves to give Me the Work and the occasion never to leave the creature, because she gives Me always something to do, and I do not want to, nor can I leave a soil So Precious, formed in My Will and Exposed to the Vivifying Rays of the Divine Sun, empty. Therefore, My Will Calls you to Work in It, and you Call Me, and – oh! How Sweet it is to Work together in My Fiat. It is a Work that does not tire; on the contrary, it is Bearer of Rest and of the Most Beautiful **Conquests.**”

**Volume 31 – 8.7.32** – “Good daughter, Courage, let yourself be Guided by the Light of My Divine Will, that shall Know how to convert the sorrows, the pains, My Very Privations, into Perennial Peace and into Divine **Conquests.** The Nature of Its Light is Eclipsing, Corroborating, Fortifying, and wherever Its Light reaches, sorrow loses Strength and Life, and It changes it into **Conquests** and into Joys, because the Strength of Its Light Surpasses everything, and there where It takes Its Place, all other things lose life. And if before the Light of My Divine Will one feels other Effects and Desires, it means that the Fullness of Its Light is not Full in the soul, nor does It Reign in her in an Absolute Way. Its Kingdom is absolute Kingdom, not conditioned, therefore It has the Supreme Right to Absorb everything, to make all other things lose life, and to convert everything into Divine Will.

*You Must Know* that each time the creature does her Acts in My Will, a Beneficial Dew Pours upon her, that Preserves in her the Divine Freshness, and gives her the Opium to everything that does not belong to It. And – oh! How Beautiful it is to see her always Fresh in her Acts, Fresh in her Love, in her sorrow, in Act

of waiting to receive Its Dew, so as to receive the Opium in it, in order to convert the sorrow into Sweet **Conquest** of Divine Will.”

...“My Newborn of My Will, it seems that you are looking for some way how to trouble yourself; but I do not want it – I do not want storms in the Sea of your soul, but Perennial Peace. The storms – that is, worries, fears, doubts, these the storms - would prevent the Continuous Murmuring of your placid *‘I Love You’*, that Must always Run and Murmur to **Conquer** your Creator, that He may send His Will to Descend upon earth in order to let It Reign.”

**Volume 31 – 8.14.32** - I was thinking about the Divine Will, and how for one who lets herself be Dominated by It, giving It Full Dominion, all Rights are hers, and everything that others obtain out of pity, out of Mercy, by the Goodness of God, she obtains by Right. By Right she obtains Sanctity, because what Dominates her is Holy and has the Virtue of Transforming soul and body into Sanctity, into Goodness, into Love. So, all the Victories, the **Conquests**, the Rights are hers, and as the owner she Storms Heaven. What a Great difference between one who Lives in the Divine Will and one who Lives of human will!

“...“Blessed daughter, the difference between one and the other is Great and Incalculable. ...My Will Invests and Exists for all, but is not Operative, nor Dominating in the act of the creature. With all Its Light, she remains idle, she learns nothing of the Divine, nor does she make any **Conquest**, and the Most Beautiful things tire her and bore her. The will that wants to Live in Mine is like the eye Full of Light, that becomes capable of Unifying itself with the Light of My Will; and as they place themselves in Accord with each other, they do and form Prodigious Labors and Works, Such as to Astonish Heaven and earth. See, then, What it Means to Live in My Will: not remaining idle; the little Light of the soul placing itself in Accord with the Light of the Eternal Fiat, to render It Operating in her Acts, and therefore form the Inseparability between One and the other.”

**Volume 31 – 10.30.32 – Luisa speaking:** ...Then, I continued my Abandonment in the Supreme Volition, and – oh! How Happy I felt in thinking that in the Fiat I was Concurring to everything that the Supreme Being was doing. My will, Fused in Theirs, was the Great Secret and the Portentous Prodigy – that my littleness was

as though Entangled into doing and Concurring to everything that the Divine Majesty does. Neither could I put myself aside, nor could They rid Themselves of me, because it was Their Very Will that had caught me into it; and It was So Immense, that I could not find the Way to get out, and wherever I might go, I would find the Divine Will Operating that Enclosed me in Its Own Work, to Concur. Nor was I an intruder – It Itself had Stretched out Its Arms to me to hold me as Its **Conquest**. More So, since on both sides there was Highest Happiness – for me, to stay there, and for the Divine Volition, to keep my littleness clasped to Itself.”

**Volume 31 – 12.21.32 – Luisa speaking:** Oh! Power of the Supreme Fiat - You can never leave the creature. Even More, it seems to me that You put me into the maze of Your Immense Light, in Act of Giving me always New Life, and I feel the need to receive from You Your Continuous Life, and therefore remain lost in You. But, Happy loss - because it is not a loss, but a **Conquest** of New Divine Life that the creature makes.

...Then, I was feeling all Invested with Divine Volition. I felt It Palpitating in my little soul; Its Celestial and Balsamic Air formed Heaven in me, and I experienced the Happiness of up there. Or rather, I felt Happier than the Celestial Citizens, because they do not have a Gift of Act of Divine Will as **Conquest**, as New Re-Birth in God, but have the Gift of It only for being Happy and Beatified - but not as **Conquest**. I, on the other hand, can make New **Conquests** and can Enclose in my Act a Divine Will Operating. But while my mind was making nonsense, Sweet Jesus, surprising me, added: “Blessed daughter, I Want to tell you the Reason Why I Want the creature to receive the Gift of My Will in all her acts, and to give Me her own, time after time: because if in *One* Act there is this Exchange and in another act there isn’t, in the act where there is no Exchange a void is formed in the soul, and this void is filled with miseries, with weaknesses, with passions. With this, the Divine Life remains broken and as though detached within her, therefore the True Re-Births cannot take place, because the Nourishment, the Raw Material of the Continuous Act of My Fiat that forms these New Re-Births in God, would be missing. More So, since It Alone Possesses and forms the Continuous Act, therefore without Its Continuous Act it

is impossible to receive Such Great Gifts and Goods as to Astonish Heaven and earth.”

**Volume 31 – 1.1.833** – “My daughter, when I find a heart that Loves Me and keeps Me company, giving Me the freedom to do What I Want, I reach the Excesses, I hold nothing back, I give So Much that the poor creature feels herself being Drowned by My Love and by My Graces. It is then that My Sacramental Life no longer remains sterile when I Descend into hearts - no, but It Reproduces Itself, Bilocating and continuing My Life in her. And these souls are My **Conquerors**, who administer their Life to this Poor One in need of pains; and they say to Me: ‘My Love, You had your turn of pains, and it ended. Now it is my turn; therefore, let me stand in for You, and let me suffer in Your place.’ And - oh! How Content I remain! My Sacramental Life remains at Its Place of Honor, because It Reproduces other Lives of Its Own in the creatures. Therefore, always together with Me do I Want you, that we may Live Life together, and you may take to heart My Life, and I may take to heart your own.”

**Volume 31 – 1.29.33** – “Everything is in whether a New Truth Comes Out of Us; at the Most, ages and centuries may pass, but this says nothing, because They are Armed not only with Power, but with Invincible and Divine Patience, and They do not tire in waiting - They are untiring, they are inflexible: *First* They Must Give the Good that They have, the Life that they Possess, and then, Triumphant and Victorious, They send back to Heaven the Fruits that they have **Conquered**. Therefore, My daughter, Be Attentive in listening to My Truths; *First* you Must think where They come from, Who it is that offers them to you, the Good that They want to do to you, the Steps of Approachment on both sides.”

“...In addition to this, *You Must Know* that We *First* form the basin, the place, the soul, into which Our Truths Must Descend, and then We decide to Issue them from within Our Paternal Womb. ... And then they Diffuse So Much as to form Armies of creatures of the Good that Our Truths Possess. And once they have formed these Noble Armies, Our Truths bring them to Us, into Our Womb, in Our Celestial Fatherland. They are the **Conquerors** that Populate Heaven, Act as Messengers, go through the earth, Cast the Seed, Work it, Harvest it, and, Triumphant, in order to

place it in safety, bring it into the Celestial Regions. They are untiring, nor do They ever stop if They have not obtained Their Intent. Therefore, Be Attentive, and do not neglect anything of What your Jesus has Taught you.”

**Volume 31 – 2.12.33** – “...True Love has the Virtue of Transforming things, it puts a Sweet Enchantment to Our Divine Pupils, and It renders the little Loving Acts of the creatures Beautiful, Gracious and Charming for Us, in Such a Way as to Capture Us, Wound Us and make Us Happy. And We make Ourselves the Capturers, making of her Our Most Delighting **Conquest**. Therefore, if you want to render Us Happy and be Bearer of Joys and of Happinesses to your God, Love, Love Always - never cease to Love Us. And in order to be More sure, Enclose all of yourself in the Divine Fiat, that shall make nothing escape you that is not Love for your Creator.”

**Volume 32 – 3.12.33** – “...for the Outpouring of My Ardent Love, I keep repeating: ‘See, only for You am I Descending from Heaven, and I AM Conceived, and I AM Born. And you - come to be Conceived together with Me, to be Reborn together with Me to the New Life that your Jesus brings you. Look at Me: I cry for you, I suffer for you - have pity on My tears and on My pains. Let us suffer together, that you may repeat What I Did, and Model your Life with Mine, so that I can say to you: ‘What is Mine is yours, you are the Repeater of My Life.’ In the Same Way, if I die, I Call her to die together with Me - not to make her die, but to Rise Again with the Same Life of the One Who So Much Loves her. So, My Life is repeated continuously; a past or future Love would not satisfy Me, nor would it be the Love and Redemption of a God. It is the Present Act that has the Virtue of Wounding, of **Conquering** and of Disposing her to lay down her life for Love of the One Who, in Act, is Laying it down for her.”

**Volume 32 – 4.16.33** – “*You Must Know* that from the moment I was Conceived, and during the whole course of My Life, inside all the Acts I did I Enclosed Love, **Conquest** and Triumph. My Operating was quite different from that of the creatures: doing or not doing, suffering or not suffering, was in My Power; My All-Seeingness would hide nothing from Me. And I, *First* I placed

My Will in My Acts, I Enclosed Fullness of Sanctity, Fullness of Love, Fullness of all Goods; and then, with Full Knowledge, I offered Myself to Operating or suffering, according to What I Myself Wanted; and by this I rendered Myself **Conqueror** and Triumpher of My Acts. But do you know for whom I made these **Conquests** and these Triumphs? For the creatures. I Loved them too much, and I wanted to Give, I wanted to be the Jesus Victorious, I Myself Giving them My **Conquests** and My Triumphs in order to Win them to Me. So, My Life down here was nothing other than a Continuous Act of Heroic Love that never says enough; of **Conquests** and of Triumphs, to render My children Happy. And I did this in everything: if I set out on the way, I Possessed the Virtue of being able to go from one city to another without making use of My Steps, but I wanted to walk, to place My Love in each step - in each step that ran and ran, and I rendered Myself **Conqueror** and Triumpher of My Steps. Oh! if creatures paid attention to Me, they would hear in My Steps the continuous cry: 'I Run - I Run in search of creatures, to Love them and to be Loved.' In the Same Way, if I worked with Saint Joseph to procure the necessary means of life, it was Love that was Running, those were **Conquests** and Triumphs that I was making. In fact, a Fiat was enough for Me to have everything at My disposal, and as I made use of My Hands for a little earning, the Heavens were stupefied, the Angels remained Enraptured and mute in seeing Me lower Myself to the Most Humble actions of life. But My Love had Its Venting, It Filled My Acts, It Overflowed from them, and I was always the Divine **Conqueror** and Triumpher. Taking food was not necessary for Me, but I took it to make More Love run, and to make New **Conquests** and Triumphs. So, I gave course to the humblest and lowliest things of life, that for Me were not necessary, but I did it to form many Distinct Ways through which to let My Love Run, and to form New **Conquests** and Triumphs over My Humanity, to Give them as Gift to those whom I So Much Loved. And therefore, one who does not receive My Love and does not Love Me, forms My hardest Martyrdom, and puts My Love on the Cross.

But, I move forward. In order to form Redemption, a tear, a sigh, was enough for Me, but My Love would not have been content; being able to give and do More, My Love would have

remained hampered within Itself, and could not have claimed the boast of saying: ‘I have done everything, I have suffered everything, I have given you everything - My **Conquests** are Superabundant, My Triumph is Complete.’ I can say that I reached the point of confounding the human ingratitude with My Love, with My Excesses and with Unheard-of pains. So, I Myself placed in each pain the intensity of the Most Intense and bitter pain, the confusions Most humiliating, the barbarities Most cruel; and after I Endowed it with all the Most painful Effects, that only a Man-God could Endure, I offered Myself to suffer it, and - oh! the Admirable **Conquests** in My pains, and the Full Triumph that My Love Obtained! No one would have been able to touch Me, had I not wanted so; and here is all the Secret: My pains were voluntary, wanted by Me, and therefore they contain the Miraculous Secret, the Winning Force, the Love that Transfixes; and they have the Virtue of Overwhelming the whole world, and of changing the face of the earth.”

**Volume 32 – 4.29.33** – “...Now, in Heaven, in My Celestial Fatherland, there are no works, either on My Part or on the part of creatures; one who Enters into those Celestial Regions places her ‘*enough*’, and says to herself: ‘My work is over, what I have done I have done, nor can I add even one More comma to my work, to my Sanctity.’ And I cannot make New **Conquests** in their souls, because death says confirmation; nor can they take one more step forward. So, there are no works in the Celestial Fatherland, but everything is Triumph and Glory; I can say that the Whole Display that I Make, of Giving New Joys, New Happinesses and continued Beatitudes, with which I keep the Whole of Heaven Enraptured, is all on My Part, but in them I cannot acquire anything more. This is why I like More these terrestrial Heavens of the human will, because the **Conquests**, the works, the Delights that I find in them cannot be there where everything is Triumph and Glory - not even in the Regions of My Divine Fatherland. Therefore, Be Attentive and never go out of My Will, and I Promise you never to interrupt My Divine Works in your soul.”

**Volume 32 – 5.25.33** – “...one who does My Will and Lives in It has no need of Miracles - she Lives under the Rain of the Miracles of My Volition, and Possesses within herself the Fount, the

Source, that Transforms the creature into the Miraculous Virtue of My Divine Will, in Such a Way that in her appear the Miracle of Invincible Patience, the Miracle of Perennial Love toward God, the Miracle of Continuous Prayer without ever tiring. And if pains appear, they are Miracles of **Conquests**, of Triumphs, of Glory, that It Encloses in her pains. For one who Lives in My Will, It Wants to Give to the soul the Miracle of Divine Heroism, and in the pains It puts the Weight and the Infinite Value - It puts the Imprint, the Seal, of the Pains of your Jesus.”

**Volume 32 – 8.6.33 – Luisa speaking:** My Celestial Mama still Possesses Her continued Speaking, Her Speaking Sun, that Speaks to Her God with Voices of Speaking Light, and Loves Him and Glorifies Him in a Divine Manner. It Speaks to the Saints, and Acts toward them as Beatifying Mother and Bearer of Joy to the Whole Celestial Court; It Speaks to the earth and, as Mother, She Shows us the Way, to lead us to Heaven. And my Beloved Jesus added: “See, then, What it Means to Live of Divine Will - one Acquires the Continuous Acting, Speaking, Loving. What Comes Out from within My Will Possesses the Operating, Illuminating and Perpetuating Virtue, and therefore they are Triumphant Acts, that **Conquer God.**”

**Volume 32 – 9.2.33 –** “...So, every time she (the creature) does her Acts in Our Volition, she opens commerce between Heaven and earth, and she puts into Traffic Our Sanctity, Power, Goodness, Love; and We, so as not to be left behind by Our Beloved creature, while she Ascends, We Descend, down to the lowness of the human will, and Opening Our Commerce, We make the Acquisition of the human will - a Trade So Much Wanted by Us and Pleasing to Us; and so We compete with each other, and We **Conquer** each other.”

**Volume 32 – 10.1.33 -** “My Good daughter, there is no scene that moves Me and Enraptures Me More than seeing the human littleness under the Empire of My Will. The Divine within the human, the Great inside the littleness, the Strong in the weak - One hiding within the other, **Conquering** each other - it is So Beautiful, So Enchanting, that I find the Pure Joys, the Divine Happiness that the creature can give Me, though I see that it is My Own Will that

Secretly Offers it to Me, and It Hands it to Me through the channel of the human will. If you Knew How Much I Delight, you would always let yourself be **Conquered** by My Will in order to please Me. I can say that I leave Heaven, though I remain there, to Come and Enjoy the Pure Joys that My Divine Will is able to Give Me within the little circle of the creature on earth.”

**Volume 33 – 1.14.34** - “My daughter, do not be Surprised; in the Face of Glory, the pains Smile, they feel Triumphant in seeing the **Conquests** they have acquired. The pains Confirm and Establish the Glory, More or less Great, in the creature; and according to the pains, so does she feel, being Painted within her, the Most Beautiful and Various Tints of Beauty; and in seeing themselves being Transformed into the Rarest Beauty, they Make Feast.”

“...only when each pain has Fulfilled its work, then do they leave the creature Entrusted to them, and they Lead her, Triumphant, up to Heaven. And only when they see each pain changed into a Distinct Joy and Perennial Happiness, then do they let her go. However, only if the creature receives them with Love, and feels and receives in each pain the Kiss, the Embraces, the Tight Squeezes of My Divine Will, then do the pains Possess this Miraculous Virtue. Otherwise, they become as if they had no instruments apt to Fulfilling their work.

But do you want to know who the pain is? The pain is I, Who Hide inside of it to form the Arcane Works for My Celestial Fatherland, and I Requite at Usury the brief Dwelling that they have given Me on earth. I have Imprisoned Myself in the small prison of the creature in order to continue My Life of pains down here; it is just for this Life of Mine to receive Its Joys, Its Happinesses, Its Exchange of Glory in the Celestial Region. Therefore, let your Surprise cease in hearing that your pains Smile before the Victories, the Triumphs and the **Conquests**.”

**Volume 33 – 2.24.34** – “Our Supreme Being Loved man, and seeing him without a head, We pitied him and he was the Greatest dishonor of Our Creative Work, nor could We tolerate so Great a havoc in the one We Loved So Much. Here then, Our Divine Will Dominated Us and Our Love **Conquered** Us, and making Me Descend from Heaven to earth, It Constituted Me Head of man,

and Reunited all the scattered members under My Head. And the members acquired the Regime, the Order, the Union and the Nobility of the Head.”

**Volume 33 – 5.20.34** – “I wanted the sacrifice of your Life, a sacrifice I had not asked of anyone, a sacrifice that costs you So Much; although you calculate this sacrifice when hindrances and circumstances arise. But I calculate it every day, I measure its intensity, its hardness, and the loss of daily life to which you submit yourself. Good daughter, this sacrifice of yours was necessary to My Will in order to Make Itself Known, to Give Its Knowledges; It wanted to make use of you as the Channel through which to Make Itself Known, and of your sacrifice as the Powerful Weapon, to let Itself be **Conquered**, Reveal Itself, Open Its Womb of Light and Manifest Itself for What It is.”

**Volume 33 – 6.16.34** - I continue my Abandonment in the Divine Fiat. Its Acts are for me like Many Nourishments; and as they Nourish me, I feel the Growth of Its Life within me; Its Strength, that is Such that, Imposing Itself on my human will, **Conquers** it and Captivates it into Its Own, to say to it: “Let us Live together, and you shall be Happy of My Same Happiness. I have Come Out into daylight, not to keep you far away, but together with Me, in My Same Will. If I Created you, it is because I felt the Need to Love you and to be Loved; therefore, your Creation was necessary to My Love, the place on which My Will can Lean, like a tiny little Field of Mine. I Want to make a Show of My Works, of My Mastery; and this, in order to Form and Give Vent to My Love.”

**Volume 33 – 7.8.34** – “...do not keep anything of yourself and for yourself, and you shall give Us the Great Glory of having a Life of Our Will upon earth, veiled by your mortal guises; and for you, the Great Good of Possessing it. You shall feel, Flowing within your guises, like rapid sea, the Happiness, the Joys, the Firmness of Good, the Love that always Loves; the Sweetnesses, the Flavors, the **Conquests** of your Jesus shall be yours too. Your guises shall continue the office of pains down here, but shall have a Life of Divine Will that shall Sustain them, that shall make use of them in

order to Carry Out the Life of Its Divine **Conquests** and Victories within the human guises. Therefore, always forward in My Will.”

**Volume 33 – 7.24.34** – “Now, of all the Truths about Our Will, not all of Them have yet come out, and those that are left are anxiously waiting to depart from within Our Divinity, to Fulfill Their Office and be Bearers and Transformers of the Good that they Possess. And once all the Truths We have disposed to Issue are Manifested, all together, these Noble Queens shall Assault Our Divine Being, and like an Invincible Army, with Our Own Divine Weapons They shall **Conquer** Us and shall Obtain the Triumph of the Kingdom of the Divine Will upon earth. Resisting them shall be impossible to Us, and by **Conquering** God, They shall also **Conquer** the creatures.”

**Volume 33 – 9.24.34** – “...My Volition in Heaven Makes all Happy, It Beatifies, with Its Smiles of Love It Enchants the Whole Celestial Court and Makes all feel Unheard-of Joys; while on earth, with one who Lives in Its Will, It Carries Out Its Operating Life, It Sanctifies, It Fortifies, and Acting as her **Conqueror**, It Makes in her as Many **Conquests** for as Many Acts, heartbeats, words, thoughts and steps as she does in It.

Now, Heaven, the Blessed, feel and take part in the Operating and **Conquering** Life that My Will Carries Out on earth in the souls who Live in It; they feel the Inseparability of their Acts, breaths and heartbeats, and the Happiness of My **Conquering** Will; therefore they feel the New Joys, the Beautiful Surprises that My **Conquering** Fiat Knows How to Give in the creatures; and since these are **Conquests** of a Divine Will, the Blessed, who already Live of It, feel as **Conquerors** of Its Gifts and Works, and - oh! How Many New Seas of Happiness they Enjoy. And, behold, Heaven feels Inseparable even from the breaths of the creature who Lives in My Will on earth; and the creature, by Virtue of It, feels the Inseparability with the Joys and Happinesses of Heaven; the Peace of the Saints is hers; the Firmness and Confirmation in Good Convert into her very nature; she feels the Life of Heaven Flow within her members More than blood inside her veins. Everything is Inseparable for one who Lives

in My Will - Inseparable from the Heavens, from the sun, from the Whole of Creation; there is nothing that can separate from her. It seems that everyone and everything say to her: 'We are Inseparable from you.' My Very pains that I suffered on earth, My Life, My Works, say to her: 'We are yours.' They Surround her, They Invest her, They take the Place of Honor and They Bind Themselves to her with Inseparable Bonds. And here is how the creature who Lives in My Will feels always little: because, feeling the Inseparability with So Many Works of Mine - of My Love, Great and Innumerable, from My Light and Sanctity, she is the True tiny little one in the midst of all of My Works. But, Fortunate little one! - Loved by all, as she reaches the Point of Giving Beautiful New **Conquests** and New Joys to Heaven. Therefore, if you want everything, Live Always in My Will and you shall feel as the Happiest creature."

**Volume 33 – 11.18.34** – "Our Fiat placed inside each Created thing and Invested them with a Love, One Distinct from the Other, so as to say to her: 'I Love you Powerfully'; while in another It Placed the Sweetness of Our Love, someplace else the Loveliness, somewhere the Gentleness, and somewhere else Our Love that Enraptures, that Binds, that **Conquers**, in Such a Way that the creature would not be able to resist Us. In sum, in each Created thing We Placed the Weapon of Our Distinct Love. We can say that Our Fiat put out in Creation an Army Armed with Love, with Weapons, One More Powerful than the Other; and by Endowing the creature with Reason, she was to comprehend and receive these Weapons of Love by means of Created things. And by remaining Invested with these Specialties of Weapons of Love, she would be able to tell Us, not only with words, but with deeds, just as We do: 'I Love You with Powerful Love; my Love for You is Sweet, it is Lovable and Gentle, So Much So, that I feel myself languishing, I feel faint, I feel the need of Your Arms to Sustain me; and, Upheld by You, I feel that My Love Enraptures You, Binds You, **Conquers** You. These are the Same Weapons of Love with which You Armed me, that are Loving You, and are Waging Battle in order for us to Love each other.'"

**Volume 33 – 2.24.35** - I am always in the Arms of the Divine Will, and although amid the intense bitternesses of the Privations of my

Sweet Jesus, that, More than sea, Inundate my poor soul, Its Light is Inaccessible, and it is not given to me to be able to Enclose It completely into my soul, or to comprehend It. It never leaves me; Even More, surpassing the sea of my bitternesses, It makes use of them as Victory and **Conquest** It Accomplishes over my poor human will. So, I was thinking to myself that all the Value, all the Good, it seems to me that it is all of the Divine Will, and nothing is left for me...

...“My Blessed daughter, *You Must Know* that We Endowed the creature with Reason, that she might know the Good or the evil she would do; and in each act that she would do, if Good, she might be Endowed with New Merit, New Grace, New Beauty and Greater Union with her Creator;...”

“...Now, if the creature does her Good Acts in My Divine Will, by Virtue of the Reason she Possesses, we give her the Merit of the Divine Acts. Merit is given to her according to her Knowledge, and depending on how her human will wants to operate.”

“...Therefore, by Justice, Divine Merit Must Flow in it, and since all human prestige is lost in Our Divine Will, it may seem that the creature has done nothing; but that is not True: if Our Will Operates, it is by Virtue of the thread of the human will It has received into Its Hands, that forms Its Triumph and Its **Conquests** over the act of the creature; as well as by Virtue of the human reason, that voluntarily comes to surrender the Rights received, as Homage and Submission to the One from Whom it had received.”

**Volume 33 – 3.10.35** - “My Blessed daughter, Heaven is Always Open for one who Lives in My Will. My Will lowers Itself and does together with the creature whatever she does. It Loves together, It Works, It Prays, Suffers, Adores, Repairs and Loves So Much these Acts done together with It, that It does not leave them at the low level of the earth, but takes them up with It into the Celestial Dwelling, to let them take their Royal Place as **Conquests** made in the low world, that belong to It and to Its Beloved creature. Whatever is done in My Volition belongs to Heaven – the earth is not worthy to Possess it. And – oh! the Security, the Happiness, that the creature Acquires thinking that her Acts are in the Divine Fiat’s Power, and are present in Heaven as her Properties, not

human, but Divine, waiting for her, wanting to Court her and form her Throne of Glory. The Love, the Jealousy, the Identification that My Will feels with these Acts done in It is So Great, that It does not even leave them inside the creature, but keeps them with Itself as Births of Its Life and Births of the creature, so as to Enjoy them and feel the Delight of being Loved, and as an anticipation It Must Give her of the Glory in the Celestial Fatherland. ...Oh! How Beautiful it is to see that while she is still crossing the exile, her Acts are in Heaven, as **Conquests** of Mine, that I made in the human will. And each taking their Office, some Love Me the Way I can Love, some Adore Me with Divine Adorations, and some form for Me Celestial Melodies, to Sing Hymns to Me, Praise Me and Thank Me for the Great Portent of the Operating of My Will. Therefore, Be Attentive and let nothing escape you in which you do not call My Will, so that the Acts you do may be Animated by My Divine Will.”

**Volume 33 – 4.12.35** – “Her (the Celestial Queen’s) Love was So Great that, Lording it over Us, She would make Us Love those whom She Loved, So Much So, that as soon as this Excelling Creature came to Light, the Eternal Word Ran, to come and look for man, and save him. Who can resist the Operating Power of Our Will in the creature? And what can It not do and obtain when It wants it? Oh, if all knew the Great Good We did to the human generations by giving them this Celestial Queen! It was She Who prepared Redemption, Who **Conquered** Her Creator, and was the Bearer of the Eternal Word upon earth. Oh! all would cling to Her Maternal Knees, to implore from Her that Divine Will, Whose Life She Possesses.”

**Volume 33 – 5.31.35** – “Our Power shall make Such Prodigies, lavishing upon man New Graces, New Love, New Light, that Our Dwellings shall recognize Us, and they themselves, of their own spontaneous will, shall give Us Dominion. So shall Our Life be placed in safety, with Its Full Rights in the creature. With time you shall see What My Power Knows How to Do and Can Do, How It can **Conquer** everything and knock down the Most obstinate rebels. Who can ever resist My Power, Such, that with One Single Breath, I knock down, I destroy and I Redo everything, as I best please?”

**Volume 33 – 6.10.35** – “*You Must Know* that I Created the whole Universe to Give it as Gift to the creature, and I remained inside each Created thing Pouring Love upon her. Now, with one who recognizes this Gift as a Great Love from her Creator, the Gift is hers, the Rain of Our Love is her own; therefore, in giving it back to Us, she Loves Us with her whole being, and We feel matched in Love by the creature and **Conquered** by her Love; and We Give it back to her again to find the continuous Exchange of Our Love and of hers. And if you knew how Happy I AM and how My Love is Wounded in hearing you repeat that you want to Love Me!”

**Volume 33 – 7.14.35** - My mind is always back into the Interminable Sea of the Divine Volition that, in Murmuring, Smiles with Love to the creature and wants her smiles of Love. It does not want for her to remain behind and not give It tit for tat. Not doing what the Divine Will does while one Lives in It is almost impossible. But who can say what the creature feels in this Divine Sea? The Purity of Its Kisses, Its Chaste Embraces that Infuse in her Celestial Peace, Divine Life, and Such Fortitude as to **Conquer** God Himself. Oh! how I would Love for everyone to experience it - to come to Live in this Sea... Surely, they would never again get out of it.

**Volume 33 – 11.24.35** – “Now as the creature Loves, the Divine Will finds Itself in her, and this facilitates Its Ruling, nothing opposes Its Dominion, Its Noble Place is that of a Dominating King, and It forms Its Longed-for Kingdom within her. When the creature Loves Me as much as she can, no void of God can be found in her; but rather, with her Love she Encloses Me in the center of her soul, in Such a Way that I cannot get out, nor can I free Myself of her. And if I were able to leave – that I never do – she would come after Me, without our being able to separate – either I from her, or she from Me – because I Myself Am Love. Therefore, one who Truly Loves Me can say: ‘I have **Conquered** He Who Created me. I have Him inside of me, I Possess Him, He is Fully mine, no one can take Him away from me.’”

**Volume 34 – 12.2.35** - My King of Love, Jesus, and my Divine Queen Mama, O please! Braid my will with Yours and make them One. Even More, Enclose me inside Your Hearts, that I may write, not outside of You, but either inside the Heart of my Jesus, or on the Lap of my Celestial Mother, so that I may be able to say: ‘It

is Jesus Who is Writing, and my Mama Who is Feeding me the Words.’ Therefore, help me, and give me the Grace to **Conquer** the Great repugnance I feel in starting yet another Volume, You Who Know my state. I feel the need to be Sustained, Fortified and totally Renewed by the Power of Your Divine Fiat, to be able to do, in everything and always, Your Divine Will.

“...It (the Supreme Being – Who Assumes the Role of Actor) Darts not only through the soul, but also through the body, and with Its Light It Invests her blood and Ennobles it, in Such a Way that the creature feels the Fullness, the Sanctity, the Substance of Divine Nobility flow within her blood and through her members. This Actor of My Divine Will takes the Office of Insuperable Artisan, of Transforming God in the creature and the creature in God. When My Will has reached this, that is the Greatest Act It Can Do – that is, to form of God and of the creature One Single Life, rendering them Inseparable from each other – It Rests in Its Work and feels Such Happiness in it, because It has **Conquered** the creature, It has formed Its Work in her, and has Fulfilled Its Will. Then It seems that in the Emphasis of Its Love It says: ‘I have done everything, there is nothing left for Me to do other than Possess her and Love her.’

**Volume 34 – 5.31.36** – “My Risen Humanity Ensured the Kingdom of My Will upon earth; It was My Only Act Full of Triumph and of Victory; and this befitted Me, because I did not want to depart for Heaven without *First* providing all the Aids to creatures, for them to Reenter into the Kingdom of My Will; as well as all the Glory, the Honor, the Triumph to My Supreme Fiat, to let It Dominate and Reign.

Therefore, Unite yourself with Me, and let there be no act you do, or pain you suffer, that does not Call My Will to take Its Royal and Dominating Place, and **Conquer** all as the Winner, to make Itself Known, Loved and Wanted by all.”

**Volume 34 – 6.14.36** – “...Wherever Our Fiat Reigns, everything is realized, the Divine Order is in Full Vigor, not a single comma is misplaced, Our Operating is in Full Harmony with the works of the creature; and – oh! How We Delight! And once We have given her Our Final Love in time and she has Fulfilled Our Final Act of Divine Will in her mortal life, then Our Love shall make her Fly to

the Celestial Fatherland, and Our Will shall receive her in Heaven as Triumph of Its Operating and **Conquering** Will that, with So Much Love, It **Conquered** on earth. Therefore, her Final Act shall be the Entrance she shall make into Heaven, to then begin in Our Will-Bearer-of-Happiness, that shall have no end. On the other hand, there where Our Volition does not Reign, the Divine Order does not exist – how many works broken and not Fulfilled; How Many Divine Voids, maybe filled with passions, with sins. There is no Beauty, but Such deformity as to arouse pity. Therefore, Be Attentive, and let Our Will Reign and Live in you.”

**Volume 34 – 7.4.36** - My poor mind cannot be without going around and Flying in the Divine Volition, and my poor human will feels as though under the Pressure of the Divine Will; and I thought to myself: ‘Ah, yes, It is Beautiful - one feels the Victory, the Triumph, the Dominion, the Happiness, the Beautiful **Conquests** of the Living in the Divine Volition; but the human will, while it feels alive, must die continuously.

**Volume 34 – 8.23.36** - “My daughter, the Greatest Prodigy of Creation is the Virgin – the Divine Volition that subdued Her human will from the very *First* instant of Her Conception, and the will of this Holy creature that subdued the Divine Fiat. One **Conquered** the other - both of them were Winners; and as the Divine Volition Entered as Dominating King into Her human will, so did the Chains of the Great Divine Prodigies begin in this Excelling Creature. The Uncreated Power Poured Itself into the Created Power, but So Much, that She could sustain the whole Creation as if It were a bunch of straw; and all Created things felt the Created Power within the Uncreated Power sustaining them and contributing to their conservation. Oh! How Honored they felt – and Happier, because a Created Power was Flowing in everything as their Queen, to Sustain them and Preserve them. Her Power was Such that She Ruled over all – even over Her Creator; She was the Invincible One, Who, with the Power of the Divine Fiat **Conquered** everyone and everything; Even More, all let themselves be **Conquered** by this Divine Empress, because She held a Powerful and Enrapturing Force that no one could resist. Even the demons felt debilitated and did not know where to hide from this Insuperable Power.”

**Volume 34 – 12.20.36** – “...Acting as True Mother, She, (the Virgin and Celestial Lady) Called all Her children, and covered and hid all of their acts within Hers, and She covered them with Her Triumphs and with Her Victories, Endowing them with all of Her Acts together with all Her Victories and Her Triumphs. And then, with a Tenderness and a Love Such as to break hearts and make Us feel **Conquered**, She would say to Us: ‘Adorable Majesty, look at them, they are all My children. My Victories and My Triumphs belong to My children - these are My **Conquests** that I Give to them; and if the Mama has Won and Triumphed, so have Her children Won and Triumphed.’ And She obtained So Many Triumphs and Victories in God, for as many acts as all creatures would do, so that all might be able to say: ‘I am Endowed with the Acts of My Queen Mama; and as a Seal, She has Invested them for me with the Triumphs and Victories that She Achieved with Her Creator.’”

**Volume 34 – 12.24.36** – “...Listen, My daughter, to what Our Great Love does: the creatures had a Celestial Father, but Our Love was not content – in Its Delirium and Folly of Love It wanted to form for them a Celestial Mother and a terrestrial Mother, so that, if the Cares, Love and Tendernesses of the Celestial Paternity should not be enough for them in order to Love Him, the Love and Unspeakable Tendernesses of this Celestial and human Mother would be the Link of Connection that, banishing any distance, fear or apprehension, would make them Abandon themselves in Her Arms, to let themselves be **Conquered** by Her Love, so as to Love He Who had formed Her for Love of them and in order to be Loved. Therefore, the Most Astounding Portents were needed, and a Love that never says ‘enough’ and that only a God can do. In order to obtain this Intent, listen now to what It does: We called out of nothing this Holy Creature and making use of the same seed of the human generations, though Purified, We Gave Her Life. From the *First* instant of this Life, the Celestial Virtue of Our Divine Fiat United to it, and together with it, It formed Divine Life and human life, It Raised Her Divinely and humanly, and sharing with Her the Divine Fecundity, It formed in Her the Great Prodigy of being able to Conceive a Man and God: with the human seed She was able to form the Humanity of the Incarnate Word, and with the Seed of the Fiat She could Conceive the

Divine Word. With this any distance ceased between God and man; by being human and Celestial, this Virgin brought man and God closer, and gave the Brother to all of Her children, Whom they could all approach, and Live Life together; and seeing in Him and in Her the same guises, invested by the same human nature, they would have Such Trust and Love as to let themselves be **Conquered**, and Love She Who So Much Loved them. How Much Love does a Good mother not Win from her children? More so, since She was Powerful, Rich, and would lay down Her Life in order to rescue Her children. And what did She not do to render them Happy and Holy?

So, the Humanity of the Word and the Mother, Celestial and human, are like Pledges in order to **Conquer** the Love of all, and tell them with all Love: ‘Do not fear, come to Us, We are like you in everything. Come, and We shall Give you everything.’ ‘My Arms shall always be ready to Embrace you; and in order to Defend you, I shall keep you Enclosed Inside My Heart, to give you everything. It is enough to tell you that I Am your Mother, and that My Love is So Great that I keep you conceived inside My Heart.’”

**Volume 34 – 1.10.37** – “...for one who Lives in Our Fiat, this thread of the human will runs within My Conception, in My birth, in My baby tears, in My pains. Listen to this, something so very tender: when this thread of the human will intertwines with Mine, and Mine with it, investing all the acts and pains of your Jesus, I feel the Joy and the Purpose of being Conceived and Born, I feel Happy for having cried for Love of the creature; Even More, My Tears stop on My Face, and seeing that the human volition Pearls Them with itself, Kisses Them, Adores Them, Loves Them – oh! How Happy and Victorious I feel that My Tears and Pains have **Conquered** the human will, as I feel it flow in all My Acts, and even in My Very death. So, just as there is nothing We have not done for Love of creatures, in the Same Way, there is nothing in which My Will does not call the human will;...”

**Volume 34 – 2.26.37** – “...who can tell you My daughter, what happens in this drawing of Heaven and earth into that Operating Act of My Will in the creature? That motion of all, each one wanting its place in that Act – Such Marvels take place, Such

Unheard-of Prodigies, Such Moving Scenes, that the Heavens are stupefied and remain Ecstatic before the Operating Power of My Will. But where? In the little circle of the creature. And they remain with the Yearning to be drawn again into the Operating Act of My Will in her. Oh, how they Long for It – they feel More Embellished, and experience the Beautiful Happiness of the **Conquering** Act of My Will in the creature, that they don't have in Heaven, because up there there are no **Conquests**, nor can they acquire Them – what they have done on earth sets for them a 'that's it' and 'no More'.

But this is not all yet. One additional Act done in My Will is like God Incorporating Himself in the creature, and the creature in God; it is their settling within each other, and the Life of One Flows within the other almost like blood in the veins; it is the Fusion of the human heartbeat in the Eternal Heartbeat, and the creature feels within herself as Life, the Love, the Sanctity, the Life of her Creator, and the Eternal One feels the little Love of the creature flowing within Himself, that, Living in Him, forms One Single Love and One Single Will. Each breath, heartbeat and motion are Wounds, Arrows and Darts of Love that she gives to He Who Created her; and – oh! the Whole of Heaven remains as though stupefied, as they look to God and find the creature Fused in Him, Loving with His Love, and a **Conquering** Love; and they look to the creature on earth and find their Creator Who, while keeping His Throne in her, Lives together with her.”

**Volume 34 – 4.4.37** – “...My Humanity contains the Secret, the Strength, the Life in order to Give Life to one who Lives in the Divine Volition; and do you think that after having obtained the Intent of **Conquering** this will by dint of pains, I would let what costs Me blood, Life and death escape from Me?”

**Volume 34 – 4.25.37** – “...The Beauty, the Sumptuousness, the Vivifying Virtue of this Divine Act (the creature's Act done in the Divine Will) is Such and So Great, that My Divine Volition brings it to Heaven as **Conquest** and Triumph of the soul in whom It has Operated, so as to gladden the whole Celestial Court with New Joys and Beatitudes. And the Joy and Glory they receive is Such, that they do nothing but Thank My Divine Will for having Operated in the creature with So Much Love, because there is

neither Glory nor Joy Greater than Its Operating and **Conquering** Act in her.”

On hearing this, Surprised, I said: ‘my Love, but if the Divine Will takes this Act with It into Heaven, the poor creature remains without and as though empty of this Act.’ And Jesus added: “No, no, My daughter, the Act is always hers, no one can take it away; and while it gladdens the Celestial Fatherland, it remains as Basis, Foundation and Property in the depth of the soul. The **Conquest** is hers, and while it Delights the Celestial Court, she loses nothing; on the contrary, she feels within herself the Creative and Continuous Virtue of My Fiat in Act of making Ever New **Conquests**; and while it remains in the soul, at the same time It brings it into Heaven as New Glory and Joy of the Saints, and as Beneficial Rain for all pilgrim souls. More So, since the human family is Linked to Heaven, and Heaven to the earth; there is a Bond among them, Such that all have the Right to participate in the Good that they do; they are members United to one another, and as though naturally any Good Runs to Give Itself to all. Moreover, as My Will Operates in the soul, Heaven places Itself in waiting; in fact, since they Swim in the Fiat, they can feel that It is about to Operate, and therefore they stand at attention, they Claim and Yearn to receive the New Conquests and Joys of the Life of the Divine Will that they Possess. My Will is Primary Life of the Saints in Heaven, therefore all of them concur in the Acts It does, and, by Right, they want to receive the New Joys and the Beautiful Conquests that My Will Knows How to Make. Therefore, one who lets It Operate in her Acts is the New Joy of Heaven, the Welcome one, the Beloved and Longed-for of the Whole Celestial Court. More So, since there are no Joys of Conquests up there, and therefore they expect them from the earth. Oh! if all knew all these Secrets of My Divine Fiat, they would lay down their Lives in order to Live of It and let It Reign in the entire world.”

**Volume 34 – 5.6.37** – “My daughter, ...Peace is My Celestial Dwelling. The little Bell that Calls My Will to Reign with Its Vibrating and Sweet Sounds is Peace. Peace Possesses Such Powerful Voices as to Call the Whole of Heaven, and make It stand at attention to be Spectator of the Beautiful Conquests of

the Operating of the Divine Volition in the creature. Peace puts to flight the frightening storms and makes Arise the Sweet Smile of the Saints, the Most Beautiful Enchantment of a Springtime that never ends. Therefore, don't give Me this sorrow – of not seeing you at Peace.”

**Volume 34 – 5.10.37** – “...the Power unleashed through these Acts that God does in His creature is Such as to Invest Heaven and earth, Hover Over all souls, Invest them and Overwhelm them with Its Powerful Love, making them receive the Kiss of the Divine Will, in Such a Way that the human family shall feel Its Power and Its Love, wanting to Reign. More So, since this Right is Given to them by God hidden by means of a creature that belongs to their human race. Therefore, they won't be able to disown these Rights, except for some perfidious ones; but still, My Power shall Know How to knock them down and **Conquer** them. So, let me accomplish the Work of My Will in you, don't stand in the way, and you and I shall be Happy to see It Reigning in the other creatures.”

**Volume 34 – 6.6.37** – “In these Truths they shall find the Tender Mother Who, taking them onto Her Lap like little children, Swaddles them with Light, Feeds them the Food, and makes them Sleep upon her Breast. In order to keep them Safe, She Walks in their steps, Works in their hands, Speaks in their voice, Loves and Palpitates in their hearts; and in order to keep them Attentive and Amused, She Acts as their Teacher, Narrating to them the Most Enchanting Scenes of the Celestial Fatherland. In these Truths they shall find She Who cries and suffers together with them, and Who Knows How to put to Good use even their breath. The littlest things, even their trifles, She shall change into Divine **Conquests** and Eternal Values.”

**Volume 35 – 9.26.37** – “The soul who Lives in Our Will is the Full Day of Our Continuous Works, and Our Life that Palpitates and Repeats Our Acts, that are always in Act without ever ceasing. Therefore, she is Our Triumph, and Our ‘little Winner’; and this is Our Delirium of Love: We Want to be **Conquered** by the creature. When she Wins, Our Love is unleashed, and Our Yearning and Delirium find Life in the creature, and they Rest.”

**Volume 35 – 11.12.37** – The Divine Volition continues to Inundate me with Its Light, that unleashes a Power So Great as to form Such Prodigies in the Acts of the creature, that one remains as though Enraptured. One can see the Creative Power, that Encloses everything and does everything in the little human act. Oh! Power and Love of the Divine Will, how Insuperable You Are! Your Power **Conquers** Everything, Your Love seems Incredible!

**Volume 35 – 11.20.37** – “My Will shall give So Much Love to this creature who Lives in It, as to be able to Inundate the Whole Creation. It shall Stretch Out a New Heaven of Love upon all human generations, in Such a Way as to feel Embraced and Loved by the Love of this creature, that was Given by My Will Itself, everywhere, in each one and in every place. And while this creature Embraces and Loves My Will, she shall say to It: ‘Come, O Supreme Volition, to Reign upon earth; Invest all generations; Win and **Conquer** all!’ Don’t you see How Beautiful it is to Live in It? To have Its Love in your Power, that contains Such Power and Virtue that no one shall be able to resist It? And when this Love shall have Invested everything and everyone, since it is the Love of a creature who has Lived in Our Fiat, that carries with her the Bond of the human family, We shall let Ourselves be **Conquered**; We shall tear down all the obstacles and shall have Our Kingdom on the face of the earth. Therefore, pray and make use of all things in order to ask Me for My Will to Come to Reign on earth as It does in Heaven.”

**Volume 35 – 11.29.37** - My poor mind Swims in the Sea of the Divine Volition. Even More, I feel that It Breathes, It Palpitates in me and, More than blood, Circulates inside the veins of my soul, saying to me: ‘I Am here, inside and outside of you; More than your own life, I Run within each of your Acts, and with My Love I make everything easy for you, and I make you Happy too.’” In the meantime, He was showing me all the pains that I had suffered, Invested with Light, holding them tightly close to His Bosom as **Conquests** of His Will.

**Volume 35 – 1.2.38** – “Now, *You Must Know* that in order to begin to Live in My Will it takes a decision on the part of God, and a

firm decision to Live in It on the part of the creature. Now, this decision is animated by a New Life, by a Divine Strength, Such as to render the creature **unconquerable** by any evil or circumstance of life. This decision is not subject to changes, because when We decide, We do not bother dealing with kids who make a joke of their decisions, but with those whom We Know Must Persevere; therefore We give of Our Own so that this creature may not fall short. It may be that she feels the miseries, the evils, the weaknesses; but this means nothing, because in the Face of the Power and Sanctity of My Will these things die - they feel the pain of death and they flee; More So, since these miseries are not a birth from the human will, because her human will is sunken inside My Will and therefore cannot will anything but what I Myself Want. And many times, My Will even uses these miseries to make of them the Most Beautiful **Conquests** and Lay Its Life upon them, Forming Its Kingdom, Extending Its Dominion and Converting the weaknesses into Victories and Triumphs.”

**Volume 35 – 1.10.38** - “Daughter of My Will, How Happy I AM when the creature does not leave Me alone - I feel her behind Me, in front of Me, and in all My Acts. Now, *You Must Know* that My exile in Egypt was not without **Conquests**. When I reached the age of about *three* years, from our little hovel I could hear the children playing and shouting in the street; and I, little as I was, would go out into their midst. As they would see Me, they would run around Me, and each one wanted to get the closest to Me, because My Beauty, the Enchantment of My Gaze, the Sweetness of My Voice, were Such that they felt Captivated to Love Me. Therefore, they would throng around Me, and they Loved Me So Much that they were unable to detach from Me.”

**Volume 35 – 1.16.38** – “Where have I not Called you, to Give you all that I Did as Gift, to Pour Out My Love, to make you feel How Much I Loved you, and to let the Sweetness of My Enrapturing Voice Descend into your heart - a Voice that Captivates, Creates and **Conquers**; and also to hear your voice telling Me: ‘Here I am; tell me, Jesus, what do You want?’, as your requital to My Love and as your promise to accept My Gifts, so that I could say: ‘I have been heard; My daughter has recognized Me, and she Loves Me.’ It is True that these are Excesses of Our Love, but to

Love without being recognized and Loved - no one can endure it, or continue to live. Therefore, We shall continue Our Follies of Love, Our Stratagems, to Give Course to Our Life of Love.”

**Volume 35 – 2.26.38** - “My Blessed daughter, to Love and to be Loved is the Greatest Refreshment for Our Love. To the Happiness of Heaven Unites the Happiness of the earth, and as they Kiss each other, We feel that the earth too makes Us Happy, bringing Us the Love of the creature who recognizes Us and Loves Us. She brings Us the Most Beautiful Joys and the Greatest Happiness; More So, since the Joys of Heaven are Ours - no one can take them away from Us; while those We receive through the Love of the creature are New for Us, and form Our New **Conquests**.”

**Volume 35 – 3.22.38** – “Just as Creation started in an Outpouring of Love of Ours, in the Same Way, We shall Fulfill It together with Our children - in an Outpouring of Love. These children of Ours shall serve to the Complete Glory of all Creation. It would not be a Work Worthy of Us, if We did not receive the Glory that the creatures owe Us for Our having Created So Many things for Love of them. And besides, there is the Highest, the Most Noble, Holy and Sublime Point: that We Created everything so that all might be Enclosed and Animated by Our Will. Therefore, just as We Issued the Creation, so Must It return to Us - into Our Adorable Fiat. If We didn’t do so, it would seem as if We had not enough Power to do it all, or not enough Love to be able to **Conquer** all, or Wisdom, to Dispose of everything. Therefore, the children of Our Fiat shall serve to make Us Fulfill Our Will in them, and this is why they shall be Our Glory, Our Triumph, Our Victory. They shall be Our True children, who shall not only Carry Our Image, but the Life of the Celestial Father Himself, as their own Life Dwelling in them.”

“...Our Goodness and Our Love are Such that We try all ways, We use all means to snatch her from sin, to place her in safety; and if We don’t succeed during her life, We make the last Surprise of Love at the moment of her death. Now, *You Must Know* that, in that moment, We give the Last Sign of Love to the creature, and We Endow her with Graces, with Light, with Goodness; We place Such Tendernesses of Love as to Soften and **Conquer** the hardest hearts. And when the creature finds herself between life

and death - between time that is about to end, and Eternity that is about to begin - almost in the act of her leaving the body, I, your Jesus, make Myself seen, with a Loveliness that Enraptures, with a Sweetness that Chains and Sweetens the bitternesses of life, especially in that extreme moment. Then, My Gaze: I look at her, but with So Much Love as to snatch from her an Act of Contrition, *One Act of Love, One Adhesion to My Will.*”

**Volume 35 – 3.30.38** – “...to Our Passion of Love - to the Extreme Need to Love – was added the Folly, the Delirium of Love, to the point that We were not content with Works alone, but Our Love reached Such an Excess that We felt the need to give even Our Life. In fact, what did this Necessity to Love that I felt within Me not make Me do? It made Me suffer unheard-of pains, undergo the Most humiliating humiliations - and even death, among atrocious spasms.

Now, this Same Passion for Loving of Ours is not content if it does not share Our Same Passion of Love with the creature. Therefore, in the sacrifices that We have her make, We Create in her the Holy Passion, Endowing it with Flavor and Pleasures, so that she can make the Most Beautiful **Conquests.**”

**Volume 36 – 4.15.38** – “Now, you have to know that as the soul Enters My Divine Will, she breathes, palpitates and moves in Our Motion; but she does not lose her own breath, heartbeat and motion, although it is never detached from Ours. Since Our Will is everywhere and Circulates More than the breathing, heartbeat and motion of all, then, what happens? The Angels and the Saints, Our Very Divinity, and the Whole Creation, together with My Will, feel the breathing and the heartbeat of the creature within them. They all feel her moving inside, even to the center of their souls. They are Full of Happiness, of New Unspeakable Joys, that the pilgrim soul brings to Each Blessed; since this soul is not Enjoying - but suffering and **Conquering** with her free will. It is merely by breathing, palpitating and moving, in the Fullness of Joy that the soul, always United to My Will, brings Ever New Joys from breathing in her own will. And since it is the *free will* that forms the **Conquering** Act of the creature, she gives me this New **Conquering** Flavor. Oh, how Happy the Blessed, Our Own Divinity, and the Whole Creation remain - and in an Emphasis of Love and Fullness of Joy they say: ‘Who is

breathing, palpitating and moving in us? Who, from the earth, is bringing the **Conquering** Act of Pure joys - of New Love, that we do not have in Heaven, and that makes us So Happy - increasing in us Our Reciprocating Love?"

**Volume 36 – 4.20.38** – "...one who Lives in My Will can say, as the Angel said to the Holy women on the way to the sepulcher, 'He is Risen. He is not here anymore.' One who Lives in My Will can also say, 'my will is not with me any longer - it is Risen Again in the Fiat.' And if the circumstances of life, opportunities and sufferings surround the creature, as if they were looking for her will, she can answer: 'my will is Risen Again, it is not in my Power anymore. I Possess, in Exchange, the Divine Will, and I want to cover with Its Light all things around me - circumstances and sufferings, to make them like Many Divine **Conquests**.' The soul who Lives in Our Will finds Life in the Acts of her Jesus, and Our Operating, **Conquering**, Triumphant Will Always Runs in her. She gives Us So Much Glory that Heaven cannot contain it. Therefore, Live Always in Our Will - never leave it, if you want to be Our Triumph and Our Glory."

**Volume 36 – 5.15.38** – "Our Goodness and Our Love is Such that in one creature We look at all, and for Love of one We also benefit all the others.

But who then, Overflows with this Good for all? The one who has been the *First* to receive that Good. The one who listened to Us and Cherished Our Truths More than her own life. The one who, never looking for her own life, was ready to sacrifice it in every instant for Love of Us, to let Us make of her what We wanted. This has So Much Power on Our Supreme Being, it moves Us So Much that one alone is enough to let everybody receive that Good. Furthermore, the human generations are So Linked together - More than the limbs to the body - that it is no wonder that one healthy and Good member makes its vital and Holy humors flow into the others. In the Same Way, the Strength of One Single creature Living in Our Will is Omnipotent, to the extent that it can Overwhelm Heaven and earth; it **Conquers** all, God as well as creatures. Therefore, let Me finish and I shall take you soon."

**Volume 36 – 6.26.38** – “...for one who Lives in Our Will, each motion, breath, heartbeat, anything she can do, are continuous **Conquests** for her: Divine **Conquests**. I can say that, by Living in My Will, she breathes with My Breathing, moves at My Motion, beats with My Eternal Heartbeat. Therefore, she acquires the **Conquering** Act in each of her acts. All this is given to her with Justice and Exuberant Love, since by Living in Our Will, not giving Life to her will anymore, she has to be in the Celestial Region by Right to Delight and Enjoy Our Delightful Will. Now, in order to Live off of Our Will on earth, the poor daughter deprives herself of the Joys of Heaven: this is the Most Heroic Act, the Most Intense Love, by which all Heaven, Our Divinity and the Queen of Heaven, remain wounded. And We Love the Heroism of this creature. Oh! How Much all of Us Love her! So, Our Love, that lets Itself be Won by anybody, surrenders to each of her breaths, to every little motion. If she thinks, looks and speaks with a **Conquering** Divine Act, the **Conquests** are Innumerable. We feel that it is not the creature who breathes and moves, but We Ourselves, giving the Value that Our Breath and Motion contain, that is the Highest that could possibly be conceived. Therefore, this creature is the **Conqueror** of Our Life and Acts. This Happy creature, with her **Conquering** Act, becomes Our Continuous Expression of Love, Our Very Happiness, Our Rest. Her **Conquests** are Continuous Seals on Our Decree of the Coming of the Kingdom of Our Will on earth. These **Conquests** shorten the time, and, Een More, Our Operating Life is not a stranger on earth anymore, but it already exists, having formed Its Kingdom in this lucky creature. Therefore, Be Attentive; never stop, and I shall take everything into account, even your breath, to Love you More and to make you do many **Conquests**, One More Beautiful than the Other.”

**Volume 36 – 7.6.38** - “My Good daughter, why do you embitter yourself? Bitterness clashes against My Will, because It is the Source of all the Sweetness, Triumphs and **Conquests**. If the creatures feel bitterness it is because they don’t Live in My Will, and their will tyrannizes them so they suffer from bitterness and remain defeated. Therefore, Courage, My daughter.”

**Volume 36 – 7.18.38** – “All Created things wait for you, to receive the New Life of Love brought by the soul who Lives in My Will. Even the Saints, the Angels, the Very Queen of Heaven await, to receive the Freshness and the Joy of the Love Operating in the creature. Although the soul is on earth, she Lives with their Same Will, and they are as if Watered by the Love of this Happy creature. They feel the New Love from which My Will has Filled her, Investing all; they feel the Joy of the **Conquering** Love she bears. My daughter, what Order, what Harmony one who Lives in My Will Establishes between Heaven and earth!”

**Volume 36 – 8.15.38** – “*You Must Know* that the Divine Lives She (Mary, the Celestial Queen and Lady) Possesses are So Great and So Many that, upon Entering Heaven, they crowded the Whole Celestial Region and, being impossible to contain them, they filled the Whole Creation as well. Therefore, there is no place where Her Seas of Love and Power do not Flow, along with the Many of Our Lives of which She is Possessor and Queen.

We can say that She Dominates Us and that We Dominate Her. By Clothing Herself with Our Immensity, Power and Love, She Populated all Our Attributes with Her Acts and with the Many of Our Divine Lives that She had **Conquered!** Therefore, from every place and everywhere, We feel Ourselves being Loved and Glorified - inside and outside of Ourselves, from within all Created things, in the Most remote hiding places - by this Celestial Creature and by those Same Divine Lives that Our Fiat formed in Her.”

...“My daughter, Her Beauty is Unreachable. It Enchants, It Charms, It **Conquers**. Her Love is Such that She offers Herself to all, Loving all - leaving behind Her Seas of Love. She can be Called Queen of Love, Winner of Love, because She Loved Much, and through Love She Won Her God.”

**Volume 36 – 8.28.38** – “My daughter, Our Love wants to reach the Greatest Excesses; It wants to save Our Arm, that is man, and put him back in order at any cost. We shall be forced by Our Love to Breathe over him again; to cast away his enemies and Ours. We shall Cover him again with Our Love, letting the Life of Our Majesty, Sanctity, Power and Wisdom Enter into Him. Having Our creature in this disorder that dishonors Us So Much...oh no! We shall Triumph in man, and the Certain Sign is that We are Manifesting the Wonders

of Our Will as well as How to Live in It. If We didn't do so, Our Power would be altered, as if We were incapable of saving Our Work - Our Very Arm. This cannot be. It would be as if we were not able to do What We Want. Ah no...no! Our Love and Our Will shall **Conquer** and shall Triumph in everything.”

**Volume 36 – 9.5.38** – “With My Cross, My Will Knows how to put Nails of Light, Sanctity and Love - to Strengthen her (the creature) with Our Own Divine Strength. These nails don't give sufferings, rather, they make her Happy and Beautiful with an Enchanting Beauty. They are the Bearers of Great **Conquests**, and one who experiences them feels So Happy that he prays to us and begs us to keep him always on the Cross with Our Divine Nails. From there, nobody can escape. If the *two* wills - the human and the Divine - are not United, one shall form the Cross of the other. Further, Our Love and Jealousy are Such that we don't leave her free - not even a breath without Our Nail of Light and Love - to have her always with Us and to say: ‘she does What We Do and wants What We Want.’”

**Volume 36 – 9.27.38** – “In these Truths there exist My Various Beauties that shall Enrapture the creatures; the Seas of Love by which they shall be continuously Inundated and that shall Win all hearts to Love Me with their Sweet Murmuring. In these Truths I placed all the Possible Imaginable Goods: Love that **Conquers**, Enraptures, Sweetens and Shakes. Nothing is missing to Dominate the creature and to make My Will Descend with Decorum and Majesty, together with the Army of My Truths - to Make It Reign among them. And the creature won't be given the chance to shut out this New Creation of Mine. I shall Know How to Guard It and Defend It.”

**Volume 36 – 11.26.38** – “Furthermore, for the soul on her Journey, We circulate the Coin of Merit. Our Divine Image is Coined on each of her Acts Animated by Our Will. These Coins have Infinite Value, so whenever she wants, she has the money to pay Me for anything she wants. Therefore, Our Concern and Interest is for the souls on their Journey, because this is the time for **Conquest**, while there are no **Conquests** in Heaven, but only Joy and Happiness.”

**Volume 36 – 12.5.38** – “My Will shall Reveal to her Ever New Things about Our Divine Being, to make her appreciate More Our Life that she Possesses. The Knowledge shall make New Love Arise, by Communicating More Truths about Our Beauty. It shall not stop telling her New Things, as though Feeding her with What We Are. The Happy creature shall feel as though caught in the Net of Our Love, Invested by Our Light and by the Enchantment of Our Beauty, and We shall be So Enraptured by her Love that We shall take Refuge within her, to Love and to Release Our Love. We shall Embellish her So Much that We shall let Ourselves be **Conquered** by Such a Rare Beauty. All other things are like little drops compared to the Living of the creature in Our Will. Therefore, Be Attentive. If you Live in My Will, you shall give Me the Greatest Joy and shall make Me Happy.”

**Volume 36 – 12.18.38** – “...the sun carries in Triumph the Love of the Creator and of the creature, so We feel United within It, with One Single Will and One Single Heart; and if the creature feels she wants to Love Us More, bravely she says: ‘see How Much I Love you - but it’s not enough, I want to Love you More; so I Enter into its Inaccessible, Immense, Eternal Light that never ends. From within that Light I want to Love you with Your Eternal Love.’ You cannot comprehend Our Joy in seeing that she Loves us not only in Our Gifts, but also in Ourselves. **Conquered** by her Love, We Redouble the Gift in return, and Abandon Ourselves to her to be Loved - not only in the Way in which We Love Our Works, but in the Way We Love within ourselves. All this, to Love her.”

**Fiat!**

## **Prayer of Consecration to the Holy Divine Will**

O Adorable and Divine Will, here I am, before the Immensity of Your Light, that Your Eternal Goodness may Open to me the Doors, and make me enter into It, to Form my Life all in You, Divine Will. Therefore, prostrate before Your Light, I, the littlest among all creatures, Come, O Adorable Will, into the little group of the First Children of Your Supreme Fiat. Prostrate in my nothingness, I Beseech and Implore Your Endless Light, that It may want to Invest me and Eclipse everything that does not belong to You, in Such a Way that I may do nothing other than Look, Comprehend, and Live in You, Divine Will.

It shall be my Life, the Center of my intelligence, the Enrapturer of my heart and of my whole being. In this heart the human will shall no longer have life; I shall banish it forever, and shall form the New Eden of Peace, of Happiness, and of Love. With It I shall always be Happy; I shall have a Unique Strength, and a Sanctity that Sanctifies Everything and Brings Everything to God. Here prostrate, I Invoke the Help of the Sacrosanct Trinity, that They Admit me to Live in the Cloister of the Divine Will, so as to Restore in me the Original Order of Creation, just as the creature was Created. Celestial Mother, Sovereign Queen of the Divine Fiat, take me by the hand and Enclose me in the Light of the Divine Will. You shall be my Guide, my tender Mother; You shall Guard Your child, and shall Teach me to Live and to Maintain myself in the Order and in the Bounds of the Divine Will. Celestial Sovereign, to Your Immaculate Heart I Entrust my whole being; I shall be the tiny little child of the Divine Will. You shall Teach me the Divine Will, and I shall be Attentive in Listening to You. You shall lay Your Blue Mantle over me, so that the infernal serpent may not dare to penetrate into this Sacred Eden to entice me and make me fall into the maze of the human will.

Heart of my Highest Good, Jesus, You shall Give me Your Flames, that they may Burn me, Consume me, and Nourish me, to Form in me the Life of the Supreme Will.

Saint Joseph, You shall be my Protector, the Custodian of my heart, and shall keep the keys of my will in Your hands. You shall keep my heart Jealously, and shall Never give it to me again, that I may be sure Never to go out of the Will of God.

Guardian Angel, Guard me, Defend me, Help me in Everything, so that my Eden may Grow Flourishing and be the Call of the whole world into the Will of God.

Celestial Court, come to my Help, and I Promise You to Live Always in the Divine Will.

**Amen.**
